Rose Hill City Council Packet

G. Approval of Agenda

The City Administrator is responsible for preparing the agenda and distributing a copy of the agenda to each Governing Body member not less than 48 hours prior to the meeting and making it available to the public at that time. Any Governing Body member or the City Administrator may request to have an item placed on the agenda. Members of the public may not place an item on the agenda but may have a Governing Body member sponsor such an item. The Council must vote to approve the agenda in the Approval of Agenda item in its order of business. Council may vote to add items to the agenda prior to the Approval of Agenda. Any item added to the agenda that does not have practical time constraints may be discussed but not voted on during the same meeting. Executive sessions may be held at any time in the order of business where necessary and legally justified.

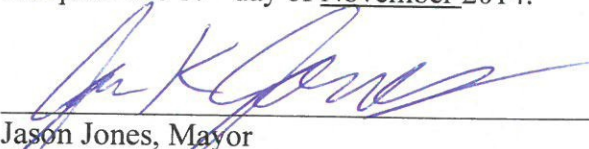

H. Suspension of Rules

The City Council may vote to suspend these or any rules of procedure if it deems necessary. The motion to suspend must include a reason.

I. Penalty

The City Council may vote to adopt a resolution to censure any member of the Governing Body who violates this or any code, rule, ordinance, law, or policy.

Adopted this 17th day of November 2014.

Jason Jones, Mayor

Bob Klem, Council President

ATTEST:

Kelly Mendoza, City Clerk

MINUTES
THE REGULAR MEETING OF THE ROSE HILL CITY COUNCIL
TUESDAY, JANUARY 3, 2017 – 7:00 P.M.
ROSE HILL CITY HALL/COUNCIL CHAMBERS

Call to Order

The regular meeting of the Rose Hill City Council was called to order at 7:00 p.m. by Mayor Beth Pompa. Councilmembers present, Roger Perryn, Ross Chappell, Bill Baker and Lionel Diamond. Bob Klem was absent with prior notice. Administration and staff present: Austin Gilley, City Administrator; Kelly Mendoza, City Clerk, and Andrew Marino, City Attorney.

Invocation and Flag Salute

Pastor Robert Varner, Rose Hill Bible Church gave the invocation, followed by the flag salute.

Approval of Minutes

Motion by L. Diamond: To approve the 12/19/2016 Regular Council Meeting minutes as presented. Second by R. Perryn with motion passing 3-1. Councilmember Baker opposed.

Claims

Motion by R. Perryn: To approve the payment of claims for Appropriation Ordinance #1. Second by R. Perryn with motion passing 4-0.

Citizen Forum

Steve Huckaby, 243 Tiffany, spoke about zoning regulations.

Ed Templin, 1624 N. Rose Hill Road had concerns regarding open records requests from Councilmember Baker.

Julie Winslow, 15644 SW Mulberry Rd., voiced her concern over City Council issues.

Approval of Agenda

Motion by R. Perryn: To approve the agenda as presented. Second by R. Chappell with motion passing 4-0.

Public Hearing for Neighborhood Revitalization Plan

Mayor Pompa opened the hearing @ 7:18 p.m.

Steve Huckaby, 243 Tiffany, asked if Council could summarize the program.

Don Waller, 222 Waller, requested that citizens be given more time to review the NRP documents.

Mayor Pompa closed the Public Hearing and opened the regular meeting @ 7:25 p.m.

Neighborhood Revitalization Plan

Motion by: R. Chappell to table the approval of the NRP until the January 17th Council Meeting. Second by: B. Baker with motion passing 4-0.

2017 GAAP Waiver

Motion by: R. Perryn to approve Ordinance #563 waiving the requirements for Generally Accepted Account Principles. Second by: L. Diamond with motion passing 4-0.

2017 Lawn Mowing Agreement

Motion by: R. Perryn to approve the 2017 Lawn Mowing Agreement with B & G Lawn and Landscaping. Second by L. Diamond with motion passing 4-0.

City Administrator reports to Mayor

Motion by: R. Perryn to censure Councilmember Baker for misconduct Thursday, December 29, 2016. Second by L. Diamond with motion passing 3-1. Councilmember Baker opposed.

Staff Reports

Administrator Gilley updated the Council with the latest status report. No action was taken.

Adjournment

Motion by R. Chappell: To adjourn the meeting at 8:14 p.m. Second by R. Chappell with motion passing 4-0.

Respectfully submitted:

Kelly Mendoza
City Clerk

Rose Hill, KS

Rose Hill City Council Packet

PROCLAMATION

By the Mayor of Rose Hill, Kansas, on January 17, 2017, for:

Citizen, Council Member, and Friend

Robert F. Klem

WHEREAS, for the past 35 years, Robert “Bob” Klem has made Rose Hill home for he and his family and has built lasting Rocket friendships and relationships that serve a proud legacy; and

WHEREAS, when called upon by his fellow citizens in 1999 he was elected to serve as a community leader in the office of City Council member; and

WHEREAS, in 2005 he served as Mayor and provided leadership in a critical time of transition, helping shepherd historic growth and expansion for the City and community; and

WHEREAS, in 2009 he was instrumental in helping to lead an effort to establish a funding source for the preservation, maintenance, and rebuilding of City streets; and

WHEREAS, in 2013 he garnered more votes than any other candidate to return to the City Council and help provide leadership again in a time of transition; and

WHEREAS, a health issue is now requiring him to turn his attention away from the civic duty he has so faithfully and tirelessly fulfilled; and

WHEREAS, his leadership, wisdom, and friendship will be profoundly missed, and we can only hope that we can continue to build on the City’s foundation he has helped establish.

NOW, THEREFORE, I, the Mayor of the City of Rose Hill, Kansas, do hereby proclaim our appreciation for Mr. Klem and his years of leadership and service to our community, and I encourage everyone to join me in wishing him well in all his future endeavors.

Beth Pompa, Mayor

Rose Hill City Council Packet

CITY OF ROSE HILL

NEIGHBORHOOD

REVITALIZATION PLAN

Adopted – _____

Expires – _____

Attorney General Office adopted: _____

CITY OF ROSE HILL, KANSAS NEIGHBORHOOD REVITALIZATION PLAN

PURPOSE

This City of Rose Hill, Kansas Neighborhood Revitalization Plan (the “Plan”) shall take effect on January 1, 2017 and is intended to promote the revitalization and development of certain areas within the City of Rose Hill, Kansas (the “City”) in order to protect the public health, safety, and welfare of the residents of the City. More specifically, through the Plan the City, Butler County, USD No. 394, and Butler Community College, to the extent the same participate and adopt the Plan, offer property tax rebates for certain improvements or renovation of property within the designated areas in accordance with the provisions of K.S.A. 12-17,114 et seq. (the “Act”).

NEIGHBORHOOD REVITALIZATION AREA

The City’s Neighborhood Revitalization District (the “District”) includes those areas depicted on the Area map included as *Exhibit A* to this Plan and legally described in *Exhibit B* to this Plan. The map included as *Exhibit C* to this Plan contains the zoning classifications and existing and proposed land uses for all areas within the District, all as of the adoption of this Plan. *Exhibit D* to this Plan contains the names and addresses of all property owners within the District as of the adoption of this Plan.

The appraised valuation of the real estate contained in the Neighborhood Revitalization District is available at the Butler County Courthouse at 205 West Central El Dorado, KS 67042 and via the Butler County, Kansas web site at www.bucoks.com/index.aspx?nid=159.

Subject to the terms and conditions of the Act and this Plan, the owner of property and improvements participating in the Plan may receive a rebate of a portion of the incremental increase in real property taxes resulting from any increased appraised property valuation from the approved improvements.

CRITERIA FOR DETERMINATION OF ELIGIBILITY

- I. Subject to the requirements of this Plan, all real property improvements (including rehabilitations¹, alterations and additions to any existing structures and construction of new structures) within the District are eligible for participation in the Plan. This includes commercial properties as well as single family homes and multi-family homes.
- II. Subject to the requirements of this Plan, improvements to “dilapidated structures”, as defined in the Act, which are outside of the District are eligible for participation in the Plan upon approval by the City Council. “Dilapidated structures” include any building which is at least 25 years old and “which is in deteriorating condition by reason of obsolescence, inadequate provision of ventilation, light, air or structural integrity or is

¹ Projects that are more likely to increase a structure’s appraised value include additions and major renovations etc. Projects such as painting and carpet, windows, siding, are eligible, but may not result in much, if any, increase in value (and consequently, little if any tax rebate).

otherwise in a condition detrimental to the health, safety or welfare of its inhabitants”, or “which is in deteriorating condition and because of age, architecture, history or significance is worthy of preservation.”

- III. City Staff will use the following criteria to determine eligibility for participation in the Plan and property tax rebates:
- A. Construction of improvements must begin on or after the application date. No applications will be accepted for completed or under-construction improvements.
 - B. Minimum value: Improvements in Area B/Two must have a value of at least \$50,000 based upon building permit value; improvements in Area A/One must have a value of at least \$10,000 based upon building permit value.
 - C. Maximum value: Rebate of taxes on additional new value beyond \$275,000 for all improvements to a property is not permitted in this program.
 - D. Upon completion, all existing and new existing improvements on the subject property must conform to all City codes and regulations in effect at the time the improvements are made. Building permits must be approved before commencement of construction. Only one building permit will be required for each application and will be available at no charge.
 - E. City and County Staff shall have the authority and discretion to approve or reject applications based on the eligibility standards and review criteria contained herein and in the Act. If any applicant is dissatisfied with City Staff’s decision, a written appeal may be submitted to the City Council for final determination. If any applicant is dissatisfied with County Staff’s decision, a written appeal may be submitted to the Butler County Board of Commissioners.
 - F. A property may only participate in one tax incentive program at a time. For example, improvements constructed in a tax increment finance district or with the proceeds of industrial revenue bonds are not eligible for participation in the Plan.

APPLICATION PROCEDURE

Prior to filing an application for a tax rebate, the following steps must be taken:

- A. **Application Forms:** The application form is included as *Exhibit E* to this Plan.
- B. **COMPLETE PART I:** Prior to the commencement of construction on any improvement or new construction, the property owner must complete and submit to the City Building Official, Part I of the application together with a nonrefundable \$25.00 application fee payable to the City.
- C. **Preliminary Approval and County Inspection:** The City will forward the application to the County after certifying the application, property, and proposed improvements meet the requirements of this Plan and the Act. The County

Appraiser's office will return a copy of Part I to the City within fifteen (15) working days indicating approval or denial of participation in the Plan. The City then will send notice of approval or denial to the applicant either by forwarding the County letter to the applicant or some other means.

- D. **Notice of Final Approval and Procedure Construction:** Upon approval, the City Clerk will forward a copy of Part I to the City Building Inspector for notification and information purposes. The County Appraiser will forward a copy of the application to the County Clerk for monitoring purposes. **Note: Commencing construction prior to receiving this notice from the City will cause the property and improvements to be ruled ineligible for participation.**
- E. **COMPLETE PART II:** If construction of the improvements has not been completed by January 1 of any year, the property owner must complete and submit to the City Building Official, Part II of the application by January 15 of the same year.
- F. The owner will have a **maximum of one year to complete the improvements.** Applicants are not allowed to phase-in improvements and a property may only have one active rebate at a time.
- G. **COMPLETE PART III: Immediately upon completion of the improvements,** but no later than November 1 of the year in which the improvements are completed, the property owner shall file Part III of the application with the City Building Official. Upon receipt of Part III, and no later than November 30, the City Building Official's Office will conduct an on-site inspection of the construction project (improvement, rehabilitation, or new) to confirm completion, confirm compliance with all applicable building codes and regulations, and issue any occupancy permits. The City Building Official may deny the property and improvements participation in the Plan for any violation of applicable building codes or regulations or failure to qualify for an occupancy permit. The County Appraiser must receive Part III prior to December 1.
- H. **New Valuation:** After confirmation of completion by City Building Official's Office, the completed application will be forwarded to the County, certifying the property and improvements are in compliance with the eligibility requirements for the Plan. In accordance with its procedures, the County Appraiser will report the new valuation to the County Clerk by June 1.

FURTHER TERMS AND CONDITIONS

- A. Applicants may not "phase-in" improvements. Additional increases in valuation to the property shall not be considered in the rebate calculation after the original improvement value is established by the County Appraiser. Construction must be on one parcel at one time. Parcels are determined by CAMA Number.
- B. All current and future rebates will be immediately forfeited with respect to any property for which payment to Butler County of any real estate tax, including

special assessments, becomes delinquent; however, such rebates may be reinstated, at the City's sole discretion, upon full payment of such taxes and assessments; provided further, rebates may only be reinstated one time during the property's participation in the Plan. No rebates shall be reinstated if the property was disqualified from the City's previous neighborhood revitalization plan or has previously been allowed back into this Plan after being delinquent on taxes or assessments.

- C. If the property that has been approved for a tax rebate is sold, the rebate remains in effect and will transfer to the new property owner. Only owners are eligible for tax rebates.
- D. Upon timely payment in full of all real estate tax and special assessments for the property, a rebate of the taxes related to the valuation improvement (less a 5% administrative fee) will be made to the property owner within 45 days of the tax due date. Butler County will issue the rebate checks to the individual taxpayers.
- E. No rebate will be provided for any property with open valuation and/or classification appeals until all disputes have been fully litigated.

REBATE FORMULA

Program Period: This Plan will terminate on **December 31, 2019**, unless terminated sooner by State action or extended by the parties to the interlocal cooperation agreement.

Rebate Period: Rebates granted under this Plan for improvements in Area A/One will be in effect for:

- (i) 10 years for rehabilitations, alterations, or additions.
- (ii) 10 years for new construction on a vacant lot (if demolishing an existing structure, rebate can be maximized by leaving the lot vacant until the next regular appraisal in January).

Rebates granted under this Plan for improvements in Area B/Two will be in effect for:

- (i) 5 years for rehabilitations, alterations, or additions.
- (ii) 5 years for new construction on a vacant lot (if demolishing an existing structure, rebate can be maximized by leaving the lot vacant until the next regular appraisal in January).

Rebate Amount: Rebates granted under this Plan shall be calculated as:

- (i) 95% of the property tax corresponding to the increase in appraised value (on building only, not land) resulting from new construction

as identified on the application. The increase in appraised value will not necessarily match the construction cost shown on the building permit.²

- (ii) 95% of the property tax corresponding to the increase in appraised (on building only) resulting from rehabilitation/repair as identified on the application. The increase in appraised value will not necessarily match the construction cost shown on the building permit.³

The 95% rebate is applied to the annual appraised value of the property, which may fluctuate with market conditions. Under no circumstances will the appraised value eligible for rebate on any property exceed the base value of the original increase of improvement.

Five percent (5%) of the tax corresponding to the increase in appraised value will be retained by the Butler County Clerk's Office to cover administrative costs that include data entry, database management, software licensing and updates, and rebate calculation and processing.

² Projects that are more likely to increase a structure's appraised value include additions and major renovations etc.

³ Projects that are more likely to increase a structure's appraised value include additions and major renovations etc.

Rose Hill City Council Packet

Acknowledgement

I have received a copy of the City of Rose Hill, Kansas, 2016 Neighborhood Revitalization Plan and the application form and by my signature, I have read and am applying for a Butler County tax rebate based on my investment and the incremental increase in appraised value of the project after improvements.

One dollar spent is not necessarily equal to one dollar of increased value. Any questions regarding said values should be addressed to the Butler County Appraiser's Office.

I acknowledge this program is not official until the State Attorney General approves. In such scenario, my \$25.00 NRP application fee will be refunded. City of Rose Hill building permit fees associated with this application will not be refunded.

Signature of Owner

Date

I find this application complete and recommend its consideration for any and all tax rebates subject to the Butler County Kansas taxing authority.

PART III: Completion of Construction

Resolution No. _____

A RESOLUTION OF CENSURE expressing disapproval of Councilmember Baker's recent conduct and reaffirming the City Council's commitment to civility and professional conduct by city officials.

WHEREAS, the proper operation of Rose Hill's government requires that governmental decisions be made in the proper channels and that the public have confidence in the integrity of its government, *see City Code 1-212(a) Code of ethics*; and

WHEREAS, City officials hold office for the benefit of the public and are bound to observe in their official acts the highest standards of morality and to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the long term public interest must be their primary concern. Their conduct in both their official and private affairs should be above reproach, *see City Code 1-212(b) Code of ethics*; and

WHEREAS, city councilmembers should work in full cooperation with other public officials and employees unless prohibited from so doing by law or by officially recognized confidentiality of their work, *see City Code 1-212(c) Code of ethics*; and

WHEREAS, at about 10 p.m. December 5, 2016, Councilmember Bill Baker made inappropriately confrontational remarks to City Administrator Austin Gilley contrary to the spirit of cooperation called for by the City's *Code of ethics*; and

WHEREAS, at about 2 p.m. on December 29, 2016, Mr. Baker appeared at City Hall and, in a raised voice, argued with city staff that he was scheduled to meet with Mr. Gilley at that time to review a recording of a prior city council meeting. When City staff made it known that Mr. Gilley was out of the office, Mr. Baker demanded that city staff get Mr. Gilley on the phone. In the presence of city staff, Mr. Baker stated that the meeting was supposed to be held that day and that Mr. Gilley had lied to him concerning the time of the meeting. Based on a recording of some of these events played to the council during the council meeting on January 3, 2017, Mr. Baker was in the wrong and inaccurately stated that Mr. Gilley had lied to him concerning the date of the meeting. Mr. Baker's accusation was made in the presence of city staff working directly under Mr. Gilley as City Administrator. In fact, Mr. Gilley had communicated to Mr. Baker in a prior phone call that their meeting would be scheduled for January 5, 2017, because Mr. Gilley would not be in the office on December 29; and

WHEREAS, the City Council in its meeting held on January 3, 2017, moved by an affirmative vote of a majority of the members to censure Councilmember Baker in order to express its disapproval of Councilmember Baker's conduct described above,

which in the opinion of the majority of the council demonstrated a lack of professionalism and sound judgment;

NOW THEREFORE, be it resolved by the City Council of the City of Rose Hill, Kansas, as follows:

- (1) The above stated recitals are incorporated herein by reference, and accurately recite the City Council's censure of Councilmember Baker and the reasons therefor.
- (2) The City Council of the City of Rose Hill reaffirms its commitment to ensuring that all city officials conduct themselves in a spirit of cooperation, civility, respect and integrity when interacting with one another, city staff, and the public.
- (3) This resolution shall be in full force and effect immediately after its passage and approval and shall be published in the official City newspaper.

Passed and adopted this _____ day of _____, 2017.

IX. . Post Disaster Operations13

I. Purpose

The purpose of this document is to provide guidance for conserving and maintaining potable water for the City of Rose Hill, Kansas, during emergency situations in accordance with City Ordinance 292, adopted September 1998. This will help assure that the water will be used only to sustain human life and the lives of pets and maintain standards of hygiene, fire protection, and sanitation.

II. System Description

The Water System for the City of Rose Hill, Kansas consists of a 500,000 gallon capacity water tower and a 100,000 capacity water tower, Booster Pump Station and distribution lines ranging from 2 inches to 12 inches in diameter. The city serves approximately 1,550 customers.

The City's Water Supply comes via pipeline from the City of Wichita that connects to the City's transmission line at Rose Hill/Butler Road and SW 136th.

The City's Booster Station controls incoming water to maintain water pressure and fill the storage tanks located approximately two and five miles south of the station. Water flows are controlled by a Supervisory Control and Data Acquisition (SCADA) system under normal operation.

III. Disaster Organization

This section outlines the chain of command and the functions of each individual involved in addressing emergency situations upon the declaration of a water disaster.

Mayor and City Council (Governing Body)

- The Mayor shall establish communication with the City Administrator, the Governing Body, the local news media, and the general public.
- The Mayor shall determine the necessity of meeting with the Governing Body as a state of emergency may exist.
- The Governing Body may declare by resolution an emergency.
- The Mayor and City Administrator shall coordinate efforts of City Staff and the Governing Body in making necessary provisions for responding to the disaster.

City Administrator

- The City Administrator shall establish communication with the Mayor and Governing Body, and other contacts as necessary.

- The City Administrator shall coordinate establishing and locating command posts, medical posts, shelters, and traffic control – in consultation with the Rose Hill Police Department, Butler County Emergency Management Personnel, Butler County Fire Department, Butler County Sheriff, and City Water/Wastewater Supervisor
- The City Administrator shall provide notice in accordance with the Violations, Disconnections, and Penalties section of the City Ordinance.

City Water/Wastewater Supervisor

- The City Water/Wastewater supervisor shall assess damages and establish communication with the City Administrator.
- The City Water/Wastewater supervisor shall determine any needed repairs to the distribution system.
- The City Water/Wastewater supervisor shall report these repairs to the City Administrator.
- The City Water/Wastewater supervisor shall request emergency supplies/equipment, and work force from the City Administrator, if needed.

City Clerk

- Upon direction from the City Administrator, the City Clerk shall notify the KDHE District Engineer, or the Bureau of Water Supply and request assistance if it is determined necessary.
- The City Clerk and office staff will contact power companies as to loss of power and contact local electricians to restore power at city sites.

IV. Cooperative Agreements and Understandings

This section provides a listing of emergency officials, utilities, and related suppliers that will need to be contacted in the event of a water emergency.

Mutual Aid

Mutual aid involves the assignment of personnel, equipment, and resources from another community to assist the City with a water emergency. Currently the City has no formal mutual aid agreements, but the City is a member of the Kansas Municipal Utilities association and can request mutual aid from KMU at 101 1/2 North Main Street, McPherson, Kansas 67460, and by phone at 620-241-1423.

The City Water/Wastewater Supervisor has primary responsibility for obtaining materials to facilitate recovery from any emergency. The City Water/Wastewater Supervisor also has responsibility for enlisting the support of outside contractors. The City Clerk and City Administrator will assist the Water/Wastewater Supervisor in arranging for outside contractors.

VI. Vulnerability Analysis and Mitigation Procedures

The following Section contains the emergency procedures to be used by the City of Rose Hill to handle various emergency situations. Each situation includes contacts for agencies and organizations that could be helpful during the emergency. A listing of these contacts is contained in Section IV.

Fire/Explosion at Booster Pump Station

Notification

City Police/ Sheriff/Ambulance/City Fire Department/County Fire Department/Emergency Management are all dispatched by the County dispatch at 911.

The Booster Pump Station is located approximately two miles north of Rose Hill. The building is made of metal with little to burn. An explosion would shut the valves and pumps down. A fire could damage the electric service and damage the power that supplies all flow control and pumps.

Vulnerability at the Booster Pump Station includes hydrants, spare parts and the electric service.

Steps for handling.

1. Assess the size and nature of the fire. If it can be extinguished with a fire extinguisher, the person on duty should do so immediately.
2. If the fire is not manageable with the available extinguishers, the operator should:
 - a. Shut down the pumps and electricity if possible
 - b. Evacuate the building
 - c. Notify first responders by calling 911
 - d. Notify the City Water/Wastewater Supervisor
3. In the event of an EXPLOSION
 - a. City Personnel should evacuate to a safe distance away from the area.
 - b. The Fire Department, Police Department and Ambulance should be notified.
 - c. Emergency Personnel will help the Public Works Department isolate, evacuate and secure the area.

Accidental Spills or Contamination

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis #316-250-2821
Police Department, 911 or 316-776-0191
Fire Department, 911
Regional KDHE office, 316-337-6034
KDHE Laboratory, 785-296-1620
Butler County Emergency Management, 316-733-9796
EPA Region VII, 1-800-223-0425

Steps for handling

1. The City Water/Wastewater Supervisor shall assess the situation and contact the City Administrator as to the extent of the contamination through the use of sampling.
2. The City Clerk/Office Staff shall call 911 and upon City Administrator's approval shall notify KDHE, Regional EPA Office or Office of Emergency Management of extent of damage.
3. The City Water/Wastewater Supervisor shall check the level of the water tower to determine the amount of uncontaminated water available.
4. If it is determined that the source of contamination originates from the main supply, the main water supply shall be stopped until the water is determined to be safe for consumption.
5. The City council will authorize enforcement of City Ordinance for non-essential use of water.
6. If the contamination occurs from BACKFLOW conditions:
 - a. Samples shall be taken to determine the area of contamination.

- b. Appropriate media communication and possibly door to door notification by the City Crew members will be necessary to assure the safety of the area residents.
- c. Residents and businesses in the area must be notified not to use the water until all mains can be flushed.
- d. Valves on the water mains feeding the area of contamination shall be closed to isolate the area.
- e. Areas affected shall be drained and flushed until water samples test clear of any contamination.

Drought/Water Shortage

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis #316-250-2821
 Fire Department, 911
 Police Department, 911 or 316-776-0191
 Regional KDHE Office 316-337-6034
 KDHE Laboratory, 785-296-1620
 Butler County Emergency Management, 316-733-9796

Steps for handling

1. The City Water/Wastewater Supervisor will assess the situation and contact the City Administrator.
2. The Mayor and Council will authorize enforcement of City Ordinance for the conservation of water.
3. The public will be notified via all available media of the water conservation mandate.
4. In case of major shortage, other sources of potable water will be obtained for emergency relief.

Electrical Power Outage

This section includes a description of the power system at each component followed by steps to be undertaken in those instances of power outages.

Booster Pump Station

Operation by remote telemetry (RTU) or manual control

Primary volts - 120/240 3 phase

Secondary volts - 120/240 3 phase

Primary fuse/ breaker – 100amp 250 volts

Main power disconnect located northeast of station on transformer bank pole

In the event of a power outage Cla Valve fails to open position and fills available towers.

Agency Notification

Butler Rural Electric, 316-321-9600

Westar Energy (Towers), 1-800-383-1183
Electrician – Matt Pascal, Atlas Electric - 316-295-0871 or 316-858-1650
Police Department – 316-776-0191
Butler County Sheriff - 316-322-4254
City Water/Wastewater Supervisor – Dillan Curtis 316-250-2821

Alternate Electric Source

Portable Generators for Remote Telemetry panels

Steps for handling

1. The City Water/Wastewater Supervisor will evaluate the power outage and determine if it is isolated and check to see if power is available to other customers on the same circuit.
2. If the power is out for specific equipment, an electrician will be notified.
3. If the power is completely out for the Booster Pump Station and other customers, the electric company will be notified.
4. In case of a major power outage, alternative energy sources will be contacted for generators. This will include the power utilities; KDHE and KDOT to borrow generators.
5. Portable Generators will be moved to the Booster Pump Station and the Water Tower in Control. These generators will be plugged into the RTU panels for level display and alarm notification. The Booster Pump Station can be operated manually with valves inside the building or outside the building.

Water Main Break

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis #316-250-2821
City Police Department, 911 or 316-776-0191
Regional KDHE Office, 316-337-6034
KDHE Laboratory, 785-296-1620
Butler County Emergency Management, 316-733-9796

Steps for handling.

1. The City Water/Wastewater Supervisor will assess the situation and cause the mains to be isolated so necessary repairs can be made. (Fire Department personnel will also know how to isolate mains and shut valves.)
2. If the damaged line is located in an area that would make quick repair impossible, an alternate water line will be established using temporary water lines.
3. Appropriate agency, public, media and mutual aid contacts will be made to secure the repair supplies, equipment, and/or personnel necessary to repair the damaged water line and secure potable water.

Equipment Failure/Vandalism

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis, # 316-250-2821
 City Police Department, 911 or 316-776-0191
 Regional KDHE Office, 316-337-6034
 KDHE Laboratory, 785-296-1620
 Butler County Emergency Management, 316-733-9796
 Butler County Fire District #3, 911 or 316-776-0401

Steps for handling

1. The City Water/Wastewater Supervisor will assess the extent of damage to the equipment and make any necessary repair at the time.
2. If repairs cannot be made with current inventory, the City Water/Wastewater Supervisor will call on contacts to acquire the equipment, supplies, back-up equipment and/or personnel required to make necessary repairs.
3. For replacement repairs or equipment under warranty, the City Water/Wastewater Supervisor will contact the manufacturer for repair and replacement information.
4. In case of a water emergency, the Mayor and City Council will authorize the enforcement of City Ordinance for the conservation of water.
5. The City will provide for the transport of potable water from other sources.

In case of Vandalism:

1. Report the vandalism to the Police Department at 316-776-0191.
2. In case of equipment damage, follow steps for handling equipment failures.

Snow and Ice Storms

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis, # 316-250-2821
 City Police Department, 911 or 316-776-0191
 Regional KDHE Office, 316-337-6034
 KDHE Laboratory, 785-296-1620
 Butler County Emergency Management, 316-733-9796
 Butler County Fire District #3, 911 or 316-776-0401

Steps for handling

1. The City Water/Wastewater Supervisor will check the tower for frozen parts.
2. The City Water/Wastewater Supervisor will open the valve on the bottom of the storage tank to allow the warm water to pump out the system.
3. In the event of a water shortage, alternate water sources will be contacted for the transport of potable water to the community.

4. In those situations where ice accumulation is causing power outage, the City's backup generator should allow the pumping system to function. Therefore, the supply of water should remain stable.
5. Power may also go out during blizzard and white out conditions. The back-up generator should keep the water system stable.
6. In blizzard or white out conditions, the city crew will remain in the shop until conditions allow them to safely move about the community.

Thunderstorm/Tornado

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis 316-250-2821
 Police Department, 911 or 316-776-0191
 Fire Department, 911
 Regional KDHE office, 316-337-6034
 KDHE Laboratory, 785-296-1620
 Butler County Emergency Management, 316-733-9796
 EPA Region VII, 1-800-223-0425

Steps to handle

1. The Butler County Emergency Management personnel will activate the siren system.
2. After the storm/tornado moves through the City, the City Water/Wastewater Supervisor will assess the damage to the water system and alert the City Administrator to the extent of the damage.
3. The City Administrator will coordinate public and media communications and provide for necessary repair and/or replacement equipment and supplies and alert mutual aid contacts for necessary assistance for personnel, water resources and electric resources.

Flooding

Agency Notification

City Water/Wastewater Supervisor – Dillan Curtis 316-250-2821
 Police Department, 911 or 316-776-0191
 Fire Department, 911
 Regional KDHE office, 316-337-6034
 KDHE Laboratory, 785-296-1620
 Butler County Emergency Management, 316-733-9796
 EPA Region VII, 1-800-223-0425

Steps for handling

1. The City Water/Wastewater will monitor the flood level situation.
2. The City Administrator will contact appropriate state and federal agencies for disaster assistance with regard to the water distribution system.

VII. Minimum Emergency Water Supply and Distribution

In case of a water shortage or contamination, steps should be taken to conserve water while the emergency is being evaluated and dealt with. For this reason, the City of Rose Hill has developed and approved in 1998 Municipal Water Conservation Plan for the City of Rose Hill. The primary objectives of the Water Conservation Plan for the City are to develop a long-term water conservation plan and a short term water emergency plan to assure the City customers of an adequate water supply to meet their needs. The efficient use of water also has the beneficial effect of limiting or postponing water distribution system expansion and thus conserving water resources of the State of Kansas.

In addition to the Municipal Water Conservation Plan the City adopted the Water Drought/Emergency Ordinance in 1998 to “establish procedures and voluntary and mandatory conservation measures; authorizing the issuance of administrative regulations, and prescribing penalties.” This ordinance gives the City Council the authority to call for water rationing in case of water emergencies.

VIII. Communications

Reliable communications in the event of a major water emergency is paramount. All information is to route through the incident command or the City Administrator. The Mayor shall approve all public broadcast announcements.

The following media outlets will be used for informing the public.

KFDI Radio
Office # 316-838-9141
News Room # 316-838-3771
Fax # 316-838-4323

KAKE TV
Office # 316-943-4221
News Room # 316-946-1331
Fax # 316-943-5374

KWCH TV
Office # 316-838-1212

News Room # 316-831-6130
Fax # 316-831-6193

KSN
Office # 316-265-3333
News Room # 316-292-1111
Email/Fax # - news@ksn.com or # 316-292-1195

There may be some instances where messages or announcements will be distributed from house to house.

IX. Post Disaster Operations

Once a water emergency has occurred, the process outlined in Section III Disaster Organization will be followed.

However, as the emergency subsides and the water system is proven to be back to normal, the post disaster operations become important.

The City Water/Wastewater Supervisor shall have overall responsibility for assuring that the water service is put back in service in a safe and orderly manner and the work crews complete their assignments.

An inventory of the materials and resources used during the emergency shall be compiled by the City Water/Wastewater Supervisor and filed with the City Clerk. The City Administrator will assist the Superintendent when necessary.

A summary report on the water emergency shall be prepared by the Superintendent, City Clerk, and City Administrator and submitted to KDHE, Butler County Emergency Management, the City Council, and other agencies as needed.

An evaluation of the causes of the water disaster and the responses undertaken shall be undertaken by the Water/Wastewater Supervisor, City Clerk, City Administrator, Police Chief, and Butler County Emergency Management. Said evaluations shall include:

- 1.) Causes of the disaster and any steps that could have been taken to reduce or avoid the disaster.
- 2.) Disaster response including call out of City personnel, notification to the public and notification of utility companies, and site control.
- 3.) Evaluation of the functions of the command post including any need for improved coordination.
- 4.) Steps to eliminate future disasters of the same nature.
- 5.) Other issues or processes that need improvement.
- 6.) Determination of the need for a practice drill.

The Emergency Water Plan should be reviewed and revised annually. As the water system and community changes, the Plan shall be updated to reflect these changes.

###

ORDINANCE NO. _____

**AN ORDINANCE RELATING TO THE FILLING OF
GOVERNING BODY VACANCIES IN THE CITY OF ROSE HILL.**

**BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF ROSE
HILL, KANSAS:**

Section 1. As used in this section, the term “Governing body” shall include the mayor and members of the city council.

Section 2. If a vacancy in the governing body has not been filled in accordance with Charter Ordinance No. 13 of the City of Rose Hill within 60 days of the vacancy, then the governing body, by a majority vote of the remaining members, may pass a resolution calling for a special election to fill such vacancy to be held within 45 days of the passage of such resolution. Candidates for the vacant office shall file for such office as provided in K.S.A. 25- 2110a, and amendments thereto. The special election shall be conducted by the county election officer. The candidate receiving the highest number of votes for the vacant position shall assume such office upon certification of the election results.

Section 3. This ordinance shall take effect and be in full force and effect after its passage and publication in the official city newspaper.

Passed by the Governing Body this _____ day of _____, 2017.

CITY OF ROSE HILL, KANSAS

Beth Pompa, Mayor

Attest:

Kelly Mendoza, City Clerk
