

Single Stream Recycling Info

The City of Rose Hill, in partnership with the Butler County Department of Public Works, offers a free “Single Stream” recycling program for Rose Hill & Butler County residents.

Location: Rose Hill Resource Management Facility
15385 SW 160th Street
Rose Hill, KS 67133

Recycling Hours: Tuesday, Thursday and Saturday 8:00 AM – 5:00 PM
Sunday, Monday, Wednesday and Friday CLOSED
(Closed ALL Holidays)

Website: <https://cityofrosehill.com/sustainability>

What is “Single Stream” recycling? A method of recycling that allows you to place all recyclable items in one container, rather than having to sort it by type of material (plastic, glass, cardboard, etc.).

- What items can be recycled? Corrugated cardboard & chip board boxes (cereal, soda, shoe boxes, etc.)
- Newspapers, magazines, junk mail, phone books, office paper, etc.
- Plastic containers - #1 thru #7 (milk jugs, food containers, pop & water bottles, etc.)
- Glass bottles and jars
- Steel & aluminum cans
- Clean aluminum foil

What should NOT be thrown in the single stream recycling container?

- Plastic bags - Please do not throw plastic bags into the large recycling container as it clogs up the sorting machine. Open your plastic bags & dump the recyclables (only) into the container. You may dispose of the plastic bags in the small trash cans to the north of the large recycling container.
- Food waste
- Diapers
- Styrofoam
- Aerosol cans
- Paint cans
- Vinyl siding or fencing
- *Electronics

*Electronic Waste & Household Hazardous Waste can be disposed of at the Butler County Landfill located at:

4295 SW Kickapoo
El Dorado, KS 67042

For questions or hours of operations, please call (316) 321 – 9278.
