

City of Rose Hill Parks Department Park Facility Usage Agreement

The Rose Hill Parks system is a cornerstone of our City and directly reflects on the quality of life in the Rose Hill community. The ultimate goal of this form is to improve communications among entities and eliminate confusion and unnecessary expense within the Parks system. Thank you very much for your cooperation and we look forward to seeing you in the Parks!

PARK POLICIES AND GUIDELINES

2. It is your organization's responsibility to pick up trash throughout the area of the park being utilized by your group, at the end of each day's use. You are also responsible for the upkeep & maintenance of any mobile restrooms that your organization chooses to place within the Parks.
