

Rose Hill Police Department 2017 Annual Report

June 18, 2018

Dedication, Integrity, Compassion

Message from Chief Nelson Mosley

Nelson L. Mosley
Chief of Police

The Rose Hill Police Department is pleased to present our 2017 Annual Report.

During the past year, we've continued our work on departmental efficiency changes as well as identified goals and projects. A few highlights of the year have been:

- **Updated the Department's Mission Statement.**
- **Redesigned the Department's Fleet for new patrol cars.**
- **RHPD Exchange Zone Signs created and posted in front of the police station on May 15, 2017.**
- **Added a new 2017 Dodge Charger and 2017 Ford Explorer SUV to the Marked Patrol Car Fleet.**

The outstanding support and partnerships in this community are clearly reflected in our ability to keep Rose Hill safe. We certainly recognize and value the support we receive from our citizens towards making Rose Hill a place where people want to live, work and play. I am proud to lead and serve alongside the dedicated men and women of the Rose Hill Police Department who are committed to maintaining Rose Hill as a safe and secure community. I want to thank members of this community for your continued support of our department as well as your participation and involvement. Our accomplishments, now and in the future are not possible without your support.

Respectfully,

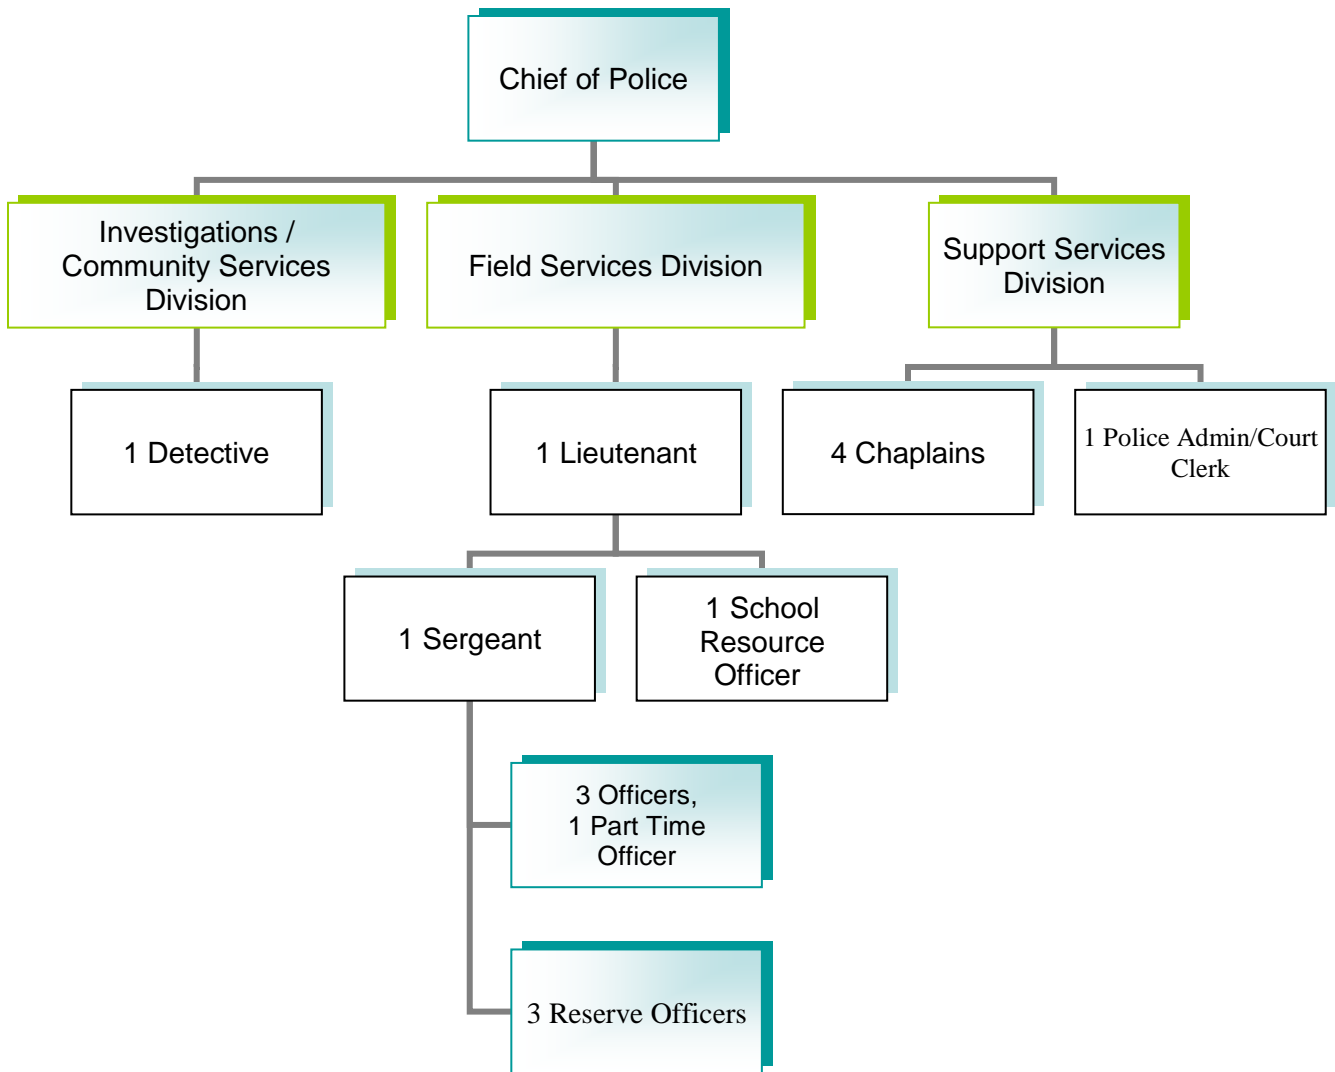

Chief Nelson Mosley
Rose Hill Police Department

Rose Hill Police Department's Mission Statement

The Rose Hill Police Department is committed to the protection of life; property and public peace through training, professionalism, integrity and hard work. We continually work to build partnerships to further our mission to make Rose Hill the safest community possible.

Proudly serving the Rose Hill Community through Dedication, Integrity and Compassion.

The Rose Hill Emergency Services Chaplain Unit is a volunteer unit jointly managed by the Police and Fire Departments. The unit is funded entirely through donations. The funds are used to provide equipment and training to the unit and to provide relief to those it serves. Examples of service include but are not limited to the following:

- Response to death scenes
- Response to other critical incidents
- Critical Incident Counseling
- Financial support to those in need

Operational Overview

The Rose Hill Police Department serves the public 24/7 with law enforcement services. Major functions include, but are not limited to the following:

- Criminal Investigations
- Traffic Accident Investigations
- Traffic Enforcement
- Emergency Preparedness, Planning and Response
- First Response (911) for Police, Medical and Fire calls
- Crime Prevention & Community Education
- Security for USD 394 Schools and Events as well as Municipal Court and City Council Meetings
- Animal Control

Criminal Investigations:

A full-time Detective serves the community and department through a variety of responsibilities. The responsibilities include, but are not limited to investigating felony crimes, child victim crimes, process crime scenes, fulfilling the duties and responsibilities of evidence custodian and overseeing community events and programs.

Accident Investigations:

Patrol officers respond to, investigate and document traffic accidents within the city limits. The data is submitted electronically to the State of Kansas as required by statute. Public reports concerning the accidents are disseminated to insurance companies or other interested parties upon request for a fee.

Traffic Enforcement:

Traffic monitoring and enforcement of traffic laws is primarily designed to increase traffic safety. In accordance with that philosophy, officers structure enforcement times, locations and offenses toward that goal. Although the number of fine generating citations written by Rose Hill officers is less than other comparable agencies, our traffic safety record is excellent. The number of state reportable accidents is low considering traffic counts place approximately 10,000 vehicles a day on Rose Hill Road.

Six (6) Traffic Enforcement Campaigns for 2017

Seatbelts Are For Everyone (SAFE) Campaign

February 20-March 5

Focused on school zone traffic

12 Traffic stops

Click it or Ticket Campaign

May 22 thru June 4, 2017

58 traffic stops, 6 citations for speed, 4 citations for seatbelts, 1 citation for non-category offense

Obey the Sign or Pay the Fine Campaign

July 21-23, 2017

42 traffic stops, 18 citations for speed, 1 for non-category offense

(Labor Day) Drive Sober or Get Pulled Over Campaign

August 17 thru September 4

44 traffic stops, 3 citations for speed, 4 citations for non-category offenses

Ticket or Treat Campaign

October 30-November 3

10 Traffic stops, 2 citations for stop signs,

Thanksgiving Safe Arrival Campaign

November 20-26

24 traffic stops, 4 citations for speed, 2 citations for non-category offenses

Emergency Preparedness, Planning and Response:

Verbal agreements with four (4) church facilities provide storm shelters for community members in the event of a storm. Officers are tasked with unlocking the facilities upon receipt of a severe weather watch and locking the facilities back when it clears. The locations are:

- Rose Hill Christian Church, 314 N. Rose Hill Road. (Main door)
- Rose Hill First Baptist Church, 1206 N. Rose Hill Road. (Main door)
- Rose Hill Bible Church, Rosewood & Main. (Main door)
- United Methodist Day Care, Main & Showalter. (South door)

As storms approach, officers engage in spotting activities and coordinate our efforts with Fire District #3 and Butler County Emergency Management.

The Police Department is working on updating the city's disaster manual. All police department and public works employees have received the federally required NIMS training.

Crime Prevention and Community Education:

Although the Investigations Detective has the additional responsibility of overseeing community services, all officers are responsible for participating in community events and using community policing concepts and strategies. Some examples of events the department has organized or been involved with are:

- National Night Out
- Hunter's Education Course
- Bicycle Safety Classes
- USD 394 Classroom talks on various topics
- Drug Take Back Program
- Tours of the Police Department
- Crime Prevention and Safety Talks
- Trunk or Treat
- Movie in the Park
- Free Gun Locks

Security for USD 394 events as well as Municipal Court:

Police and Reserve Officers provide security and traffic control for USD 394 sporting events such as football and basketball and other large scale events as requested, such as graduation.

In addition to the security provided by reserves, a full-time certified School Resource Officer is assigned to the schools when classes are in session. Funding for this position is a partnership between the City and USD 394 with agreements executed related to duties and responsibilities.

Animal Control:

The department is also responsible for animal control and the enforcement of the city code relating to animals. Animals that are picked up are taken to the Rose Hill Veterinary Clinic rather than housed at a city owned and maintained kennel.

Other Items:

The department maintains the RHPD Manual of Policies and Procedures that is continually reviewed and updated. Many of the policies have been converted to a new format that provides better access to all members of the department.

All officers are compliant with statutory requirements such as maintaining required training hours, firearms qualification, biased based policing training and reporting.

The use of the Criminal Justice Information System (CJIS) by the department requires certain policies relating to officer training, physical and remote access security as well as yearly criminal background investigations be conducted and complied with. The department is audited by the Kansas Highway Patrol for compliance. To date, we have successfully passed every audit.

The department transmits Kansas Incident Based Reporting and Arrest data to the Kansas Bureau of Investigation electronically through our records management system. All agencies are required to submit data per state law. Although our system is somewhat “bulky” with regard to transmission, we are compliant but are currently examining ways for a more efficient process.

In addition to transmitting criminal reporting data, we also collect and transmit fingerprints electronically. This capability not only provides almost real time confirmation of a suspect’s identity (if their prints are already in the FBI system), but it allows us to meet the fingerprint based requirements for background checks on officers per CJIS requirements. As a service to the public, we use this system to take fingerprints for employment purposes for a small fee.

Municipal Court:

Although Municipal Court does not fall under the supervision of the Chief of Police, the court clerk as well as the records and reporting functions do.

2017-18 Municipal Court Staff

Judge: Honorable Fred Johnson

Court Clerk: Kristie Metcalf

Prosecutor: Justen Phelps

Probation Officer: B.J. Kitchen
