

Rose Hill Police Department 2023 Annual Report

June 3, 2024

**Proudly serving the Rose Hill community through
Dedication, Integrity, and Compassion**

Message from Chief Taylor Parlier

Taylor Parlier
Chief of Police

The Rose Hill Police Department is pleased to present our 2022 Annual Report.

During the past year, we have continued to work on our goals and projects for the community. We remained in touch with national events involving the profession of law enforcement, updated our policies/procedures, and attended training to improve our interactions with the public. Community events returned in earnest this year with National Night Out, Fall Festival, Stuff the Squad Car, Christmas Parade, and many more. While no official counts were conducted, these all appeared to have record attendance and interaction.

We value the partnership with the citizens in this community, which allows us to continue our goal of keeping Rose Hill as a place where people want to live, work, and play. We are staffed with dedicated and compassionate men and women who are committed to maintaining the quality of life you have come to expect. We remind ourselves our success is built upon the trust and support we receive from you, and we thank you for your continued involvement and participation.

Respectfully,

Chief Taylor Parlier
Rose Hill Police Department

Rose Hill Police Department's Mission Statement

The Rose Hill Police Department is committed to the protection of life, property, and public peace through training, professionalism, integrity, and hard work. We continually work to build partnerships to further our mission to make Rose Hill the safest community possible.

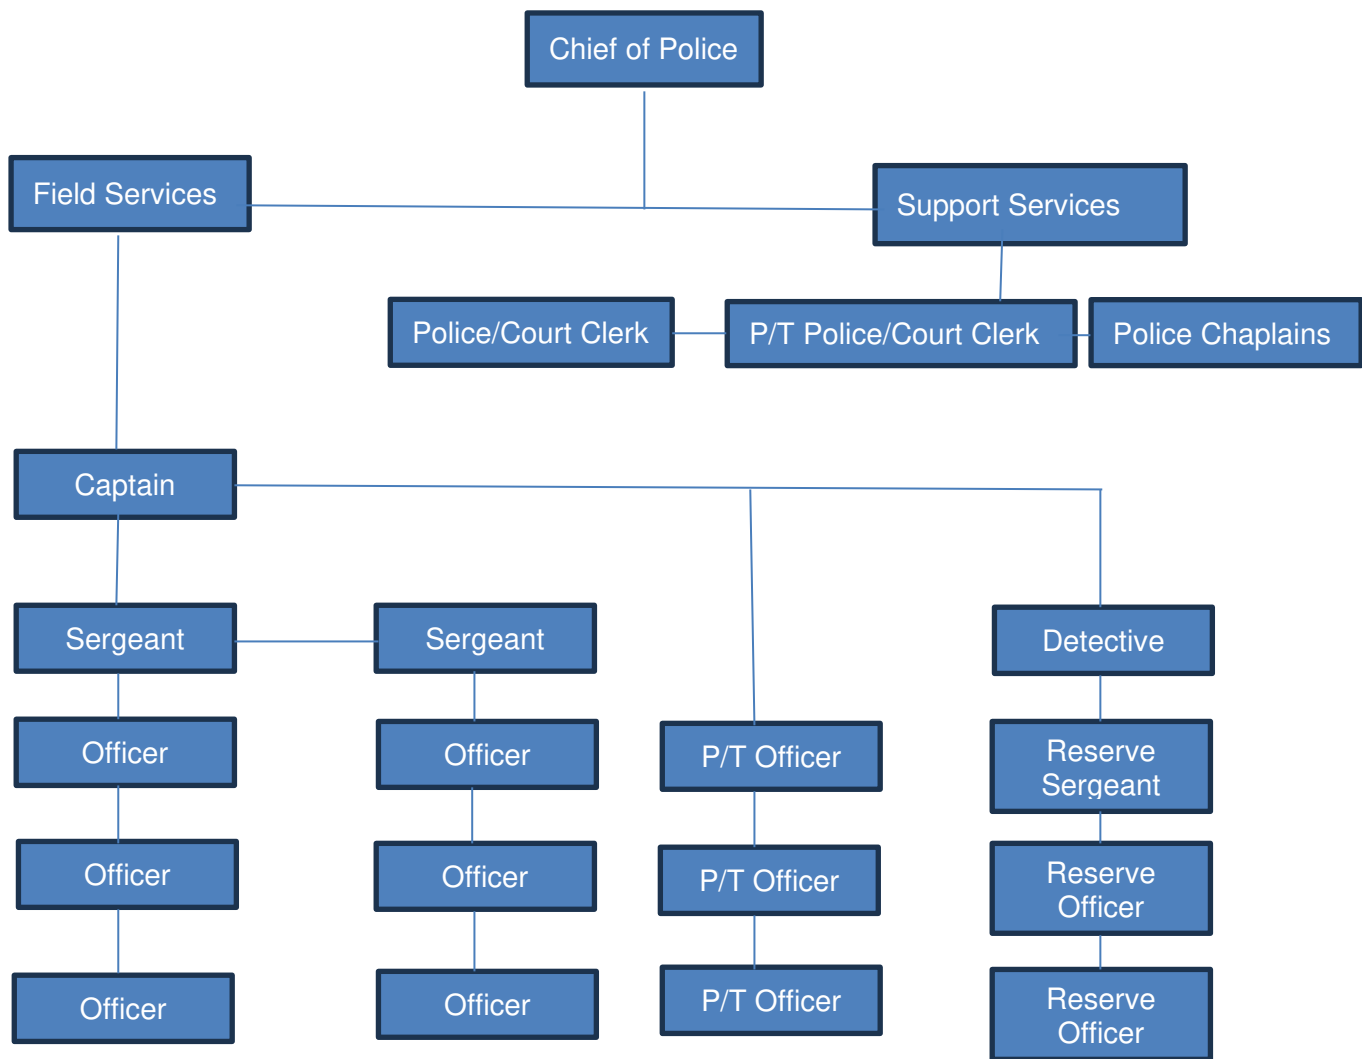

Proudly serving the Rose Hill community through Dedication, Integrity, and Compassion.

Rose Hill Demographics

*****Change over three census data results*****

The following are data gathered from previous annual reports and the most recent Federal Census demographics.

	<u>2000</u>	<u>2010</u>	<u>2020</u>
Population:	3,432	3,931	4,086
Median age:	30.7	34.2	37.6
Median Income:	\$63,750	\$75,167	\$81,046
Median home value:	\$97,500	\$124,200	\$151,300
Housing units:	1,098	1,414	1,484
Owner occupied:	959	1,143	1,195
Renter occupied:	139	217	200
Household members:	3.25	2.93	2.9

Rose Hill Police Department Personnel

Chief Taylor Parlier

Clerk Kristie Metcalf

Clerk Katy Unruh

Captain Jason Conrad

Sergeant Joel Sibley

Sergeant Jordan Watson

Detective Missy Tharp

Officer Blake Weekley

Officer Nick Cline

Officer Zack Hobson

Officer William Bishop

Part Time Officer DeShaun Smith

Part Time Officer Tom Maloney

Part Time Officer Daniel Harshbarger

Reserve Sergeant Ed Musterer

Reserve Officer Dustin Short

Reserve Officer Brian Culpepper

Reserve Officers are volunteer, non-paid members of the Police Department and report to the Detective. 2023 saw three Officers in this division, Reserve Sergeant Ed Musterer, Reserve Officer Dustin Short, and Reserve Officer Brian Culpepper. Reserve Officer Dustin Short has been training with different officers, working special events (fall festival & National Night Out), as well as assisting with Court Bailiff duties as he learns the role. Reserve Officer Culpepper is still in the initial training phase.

Reserve Officers go through the same hiring process that paid officers do. Their required initial training is 80 hours, and their field training is 220 hours. All Reserve Officers are required to maintain minimum standards for time worked as well as hours per year of training.

Rose Hill Emergency Services Chaplains

Pastor Ron Long
First Baptist Church

Pastor Tim Armstrong
R.H. Bible Church

Pastor Robert Varner
R.H. Bible Church

Pastor Gayle Tenbrook
Fellowship church

Rose Hill Emergency Services Chaplains Unit was created and consists of four volunteer pastors from Rose Hill and the surrounding area. This independent unit exists for the purpose of partnering, cooperating, and assisting the Rose Hill Police Department, Rose Hill Fire Department, and other Emergency Services in the area as requested. They provide counseling, emotional, and/or spiritual support to citizens of the community as well as members of the various departments.

Regular Meetings

The Rose Hill Emergency Services Chaplains meet quarterly or as necessary. Meetings consist of lunch, planning, review of calls, sharing of information, and training.

Call Activity

The Rose Hill Emergency Service Chaplains coverage area includes the City of Rose Hill and Butler County Fire District #3. From time to time, Chaplains help with the Butler County Chaplain Division which covers the entire County.

January

- 6th Gave a couple with vehicle problems a hotel room for two nights
- 10th Assisted on a suicide call in rural Rose Hill
- 15th Responded to and assisted on a Mental Health/Suicidal call out

February

- 24th Attended a funeral for a former Butler County Deputy

May
13th

Gave a homeless male a hotel room for the night

August
19th
24th

Assisted with a vehicle fatality, involving a former RHPD Officer
Conducted funeral service for the recently deceased former Officer

September
1st

Gave a homeless woman and her three children 3 nights in a hotel

Activities

August
2nd

Sponsored and staffed the bounce house for National Night Out.

September
23rd

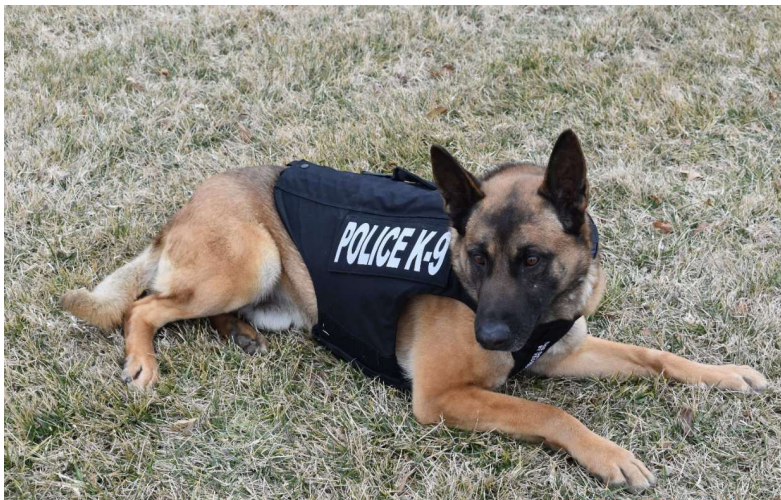

Hosted the 15th annual appreciation picnic for Emergency Services personnel with many first responders and their families in attendance. The picnic is to show appreciation for the working personnel of all emergency service agencies in the area and their families. Hamburgers, hot dogs, and drinks are furnished with attendees bringing side dishes and desserts.

October
13th

Hosted the Chaplains Chili Feed. The chili feed is held in coordination with the Fall Festival as a fund raiser for the unit. Chaplains serve chili, soup, hot dogs, and cinnamon rolls along with drinks in the multi-purpose room at the School District. Those eating are asked to leave a donation.

The Rose Hill Emergency Services Chaplains Unit is Thankful to serve alongside the men and women who put their lives on the line to serve this community day after day. We willingly do our part to help in times of need.

Police K-9 Unit

Narcotics detection

- 23-38 Officer and K9 assisted the USD at the Orion Degree completion building. Urlo performed a free air sniff for the odor of narcotics around 18 vehicles in the parking lot. Inside the building, Urlo continued by sniffing around 18 lockers, the commons area, and both female and male restrooms. No indications and no narcotics found.
- 23-51 Officer and K9 responded to rural Augusta at the request of a Butler County Deputy. Upon arrival to the scene the Officer walked around the vehicle to verify safe conditions. For the K9 and observed narcotics paraphernalia in plain view. K9 was no longer needed but they remained on scene for Officer safety reasons.
- 23-52 Officer and K9 were requested to assist the Augusta Department of Public Safety during a traffic stop. K9 Urlo was deployed for a free air sniff for the odor of narcotics, after one walk around the vehicle Urlo indicated to the presence of narcotic odor. Augusta Officers searched the vehicle and found narcotic residue and paraphernalia.
- 23-117 Officer and K9 were requested to assist the Augusta Department of Public Safety during a traffic stop. K9 Urlo indicated to the presence of narcotic odor, suspect was detained by Augusta, and the vehicle was searched. Suspected marijuana wax was located.
- 23-272 Officer and K9 assisted the Douglass School District with free air sniffs at the High School and middle school. K9 Urlo worked in several places with no indications to the presence of narcotic odor.
- 23-518 Officer and K9 assisted a Rose Hill Officer on a traffic stop. K9 Urlo was deployed, and indicated to the presence of narcotic odor in the vehicle. Suspect was detained and suspected fentanyl was located.
- 23-802 Officer assisted a Rose Hill Officer on a traffic stop. Driver was arrested for moving violations, and K9 Urlo was deployed. No indications to the presence of narcotic odor were detected and no narcotics were located.

Patrol Deployments

- 23-107 Officer and K9 responded to assist the Augusta Department of Public Safety with tracking an armed suspect who had fled into a field. K9 began tracking, found a scent trail and followed it for some distance until the scent was lost. K9 assisted with an article search to further assist the case, suspect was not captured during this track.
- 23-486 Officer and K9 responded to rural Augusta to assist the Butler County Sheriff's Office. Upon arrival a free air sniff was conducted around a suspect vehicle, with no indications observed. Deputies advised people from the vehicle had initially fled and showed the Officer that location. K9 Urlo was deployed on an article search, and located a hat which might have belonged to a suspect. No narcotics indicated to or found.

Public Service

Demonstration of narcotics detection to those gathered for National Night Out on August 1st.

School presentations for all primary and intermediate school students during Red Ribbon Week.

Retirement

On November 6, 2023 Urlo retired after seven years of service. During that time he served with two handlers, DeShaun Smith and Blake Weekley. Urlo served initially as a narcotic detection canine, then was trained as dual purpose allowing him to track and bite if needed. He did work with outside agencies such as the Federal Bureau of Investigations, Kansas Highway Patrol, Kansas Department of Wildlife and Tourism, Butler County Sheriff's Office, Augusta Department of Public Safety, Andover Police Department, and the El Dorado Police Department. He was given a first retirement meal of Chick-fil-A nuggets, after being voted on by Rose Hill Intermediate School students. He now lives peacefully with his former handler, Blake Weekley. Thank you for your time with us canine Urlo, now enjoy more belly rubs and some unhealthy foods!

Operational Overview

The Rose Hill Police Department is operational and available to the community 24 hours a day providing:

- Criminal investigations
- Crime prevention and community education
- Traffic collision investigations
- Traffic enforcement
- Emergency preparedness, planning, and response
- First response on emergency calls for services (police, fire, and medical)
- Security for special events, Municipal court, and City Council
- Animal control

Criminal investigations:

Our full-time investigator serves the community through a variety of responsibilities, which includes, but is not limited to, investigating felonies, child victim crimes, processing crime scenes, fulfilling the duties and responsibilities of evidence custodian, and overseeing community events/programs. Additionally, the investigator also serves as the department's Public Information Officer (PIO) and quartermaster for department gear issuance.

Crime Prevention and Community Education:

All officers are responsible for participating in community events and using community policing concepts and strategies. Examples of events we have organized or involved in are:

- Community Awareness Class (vehicle burglaries), April 27th
- USD 394 classroom talks on various topics (occur when invited)
- Drug Take Back Program April 28th (59 pounds) & October 29th (65 pounds)
- National Night Out, August 2nd
- Senior Center speech on crime trends, November 17th
- Stuff the Squad Car, December 5th

Collision Investigations:

Officers respond to, investigate, and document traffic collisions within the city limits. The data is submitted electronically to the State of Kansas as required by statute for reportable events. For non-reportable collisions, such as those on private property or below a damage total of \$1,000, a courtesy report is created for records purposes. Public reports concerning the accidents are disseminated to insurance companies or other interested parties upon

request for a fee.

Traffic Enforcement:

Traffic monitoring and enforcement of traffic laws is primarily designed to increase traffic safety. In accordance with that philosophy, officers structure enforcement times and locations toward that goal. Although the number of fine generating citations written by us is below other comparable agencies by design, our traffic safety record is excellent. The number of state reportable accidents is low considering traffic counts place approximately 10,000 vehicles a day on Rose Hill Road.

Eight traffic enforcement campaigns

1. Seatbelts Are for Everyone (SAFE) Campaign

February 20 - March 3, 2023

Focused on school zone traffic around the high school

16 Traffic stops, 5 citations for speed, 1 citation for a non-category offense.

2. 4/20 High Visibility Enforcement

April 16 - April 20, 2023

9 traffic stops, 1 citation for speed, 5 citations for non-category offenses.

3. Click it or Ticket Campaign

May 22 – June 4, 2023

78 traffic stops, 9 citations for speed, 9 citations for non-category offenses.

4. (Labor Day) Drive Sober or Get Pulled Over Campaign

August 18 - September 4, 2023

23 traffic stops, 3 citations for speed, 2 DUIs, 12 citations for non-category offenses.

5. July Slow Down / Move Over Enforcement

July 26, 2023

13 traffic stops, 1 citation for speed, 1 citation for a non-category offense.

6. Safety is the Goal (formally Ticket or Treat Campaign)

September 17 – September 23, 2023

6 Traffic stops, 2 citations for speed, 1 citation for a non-category offense.

7. Thanksgiving Safe Arrival Campaign

November 18 – November 26, 2023

10 traffic stops, 1 citation for speed, 1 citation for DUI, 1 citation for a non-category offense.

8. New Year's DUI Campaign

December 26, 2023 – January 1, 2024

28 Traffic stops, 3 citations for speed, 13 citations for non-category offenses.

Emergency Preparedness and Response:

Verbal agreements have been made with four churches within the city to provide storm shelters for community members in the event of hazardous weather. Officers are tasked with unlocking the facilities upon receipt of a severe weather watch and locking the facilities when the weather threat has passed. The locations and entry points are as follows:

- Rose Hill Christian Church, 314 North Rose Hill Rd (main door)
- Rose Hill First Baptist Church, 1206 North Rose Hill Rd (main door)
- Rose Hill Bible Church, 1410 North Main St (main door)

- United Methodist Day Care (Wee-Rockets), 109 South Main St (South door)

As weather approaches, officers engage in spotting activities and coordinate efforts with Fire District #3 and Butler County Emergency Management.

First Response for Police, Fire, and medical calls:

Our primary method of assisting citizens is through emergency calls for service, or 911 calls. Any person within the city limits of Rose Hill who contacts 911, either by phone or text message, will have an officer dispatched to assist. Butler County Emergency Communications, or dispatch, handles calls for service of all Police, Fire, and medical calls for service in the city from their office in El Dorado. Citizens who need aid may contact 911 by landline phone, cell phone, and/or text messages.

Dispatchers can also reach any citizen with a registered phone number in the event of an emergency by way of the Reverse 911 system. This system allows dispatch to create a message and send it to thousands of phone numbers every minute and to designated areas.

Once an officer has been dispatched to a call for service, their priority is the protection of life and property. Once this protection of life/property has occurred, the officer will secure the scene, preserve evidence, and begin the investigative process.

Being impartial finders of fact, our officers will gather all relevant information prior to making a decision on a case.

Security for special events, Municipal court, and City Council:

Our officers often perform more than one task at a time. For instance, we organize and attend special events such as the Fall Festival, Christmas parade, and Run for the Roses while also providing security for all in attendance. Additionally, officers supplement the Rose Hill Municipal Court with a Court Bailiff and related law enforcement services. Similarly, an officer is always available, if not in the council chamber, to assist the governing body should they require aid.

Animal Control:

Our officers are responsible for animal control and enforcement of city code pertaining to animals. Domesticated animal breeds (canine, feline, rabbit, and some swine) which are picked up by officers or citizens (during business hours) are taken to the Rose Hill Veterinary Clinic rather than housed at a city owned and maintained kennel. In partnership with the clinic, these animals can be securely housed in a temperature-controlled environment with appropriate food, water, and medical care.

Prior to the animal's release, through owner identification or adoption, veterinary staff verify appropriate vaccinations have been administered and animal registration has been completed. This information is shared with us for education or enforcement purposes.

While officers can take in certain feral animals, they do not transport wild animals to the clinic. Instead, we put together a list of area trappers, furbearers, wildlife removal experts, and certain sanctuaries for use by residents or area persons in need of their services.

Additional services:

We continuously work on our policies and procedures manual by reviewing and updating existing policies as needed, and we create new policies as required. Many of the policies have been converted to a new format that provides better access to all members of the

department as we have departed from the Lexipol Policy program.

All officers are compliant with statutory requirements by maintaining required training hours, firearms qualification, biased based policing training, and reporting.

The use of the Criminal Justice Information System (CJIS) requires certain policies relating to officer training, physical and remote access security, as well as yearly criminal background investigations to be conducted. The department is audited by the Kansas Highway Patrol for compliance and to date, we have successfully passed every audit.

In addition to transmitting criminal reporting data, we also collect and transmit fingerprints electronically. This capability not only provides almost real time confirmation of a suspect's identity (if their prints are already in the FBI system), but it allows us to meet the fingerprint requirements for background checks on officers per CJIS requirements.

Fingerprinting services: As a service to the public, we use this system to take fingerprints for employment purposes for a small fee. As it pertains to non-criminal justice matters, all civilian fingerprinting services are by appointment only. These appointments can be scheduled online or over the phone with the Police Clerk for a charge of fifteen dollars.

Child Passenger Safety: In late 2023 the Police Clerk attended a three-day training, put on by the Kansas Highway Patrol (KHP). This training taught attendees how to fit a youth to the appropriate Child Safety system, as well as how to correctly install the system. We are currently accepting online and call-in scheduling. It is recommended to anticipate 30 minutes for each child/restraint system.

Municipal Court

Rose Hill Municipal Court was conducted throughout 2022 with no structural changes related to the pandemic. Any alterations to scheduled court dates were due to other causes.

Municipal Court Staff:

Judge: Honorable Fred A. Johnson

Clerk: Kristie Metcalf

Prosecutor: Justen Phelps

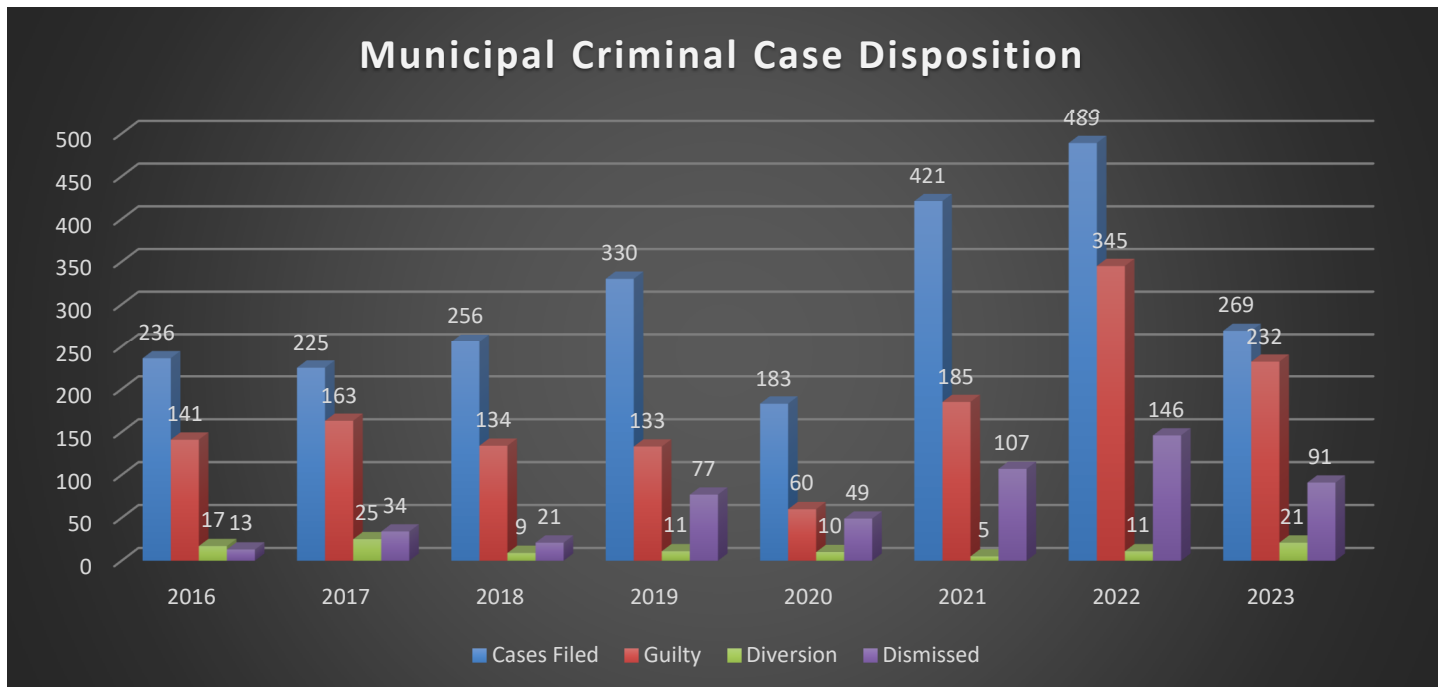

Prosecutor: Nolan Wright

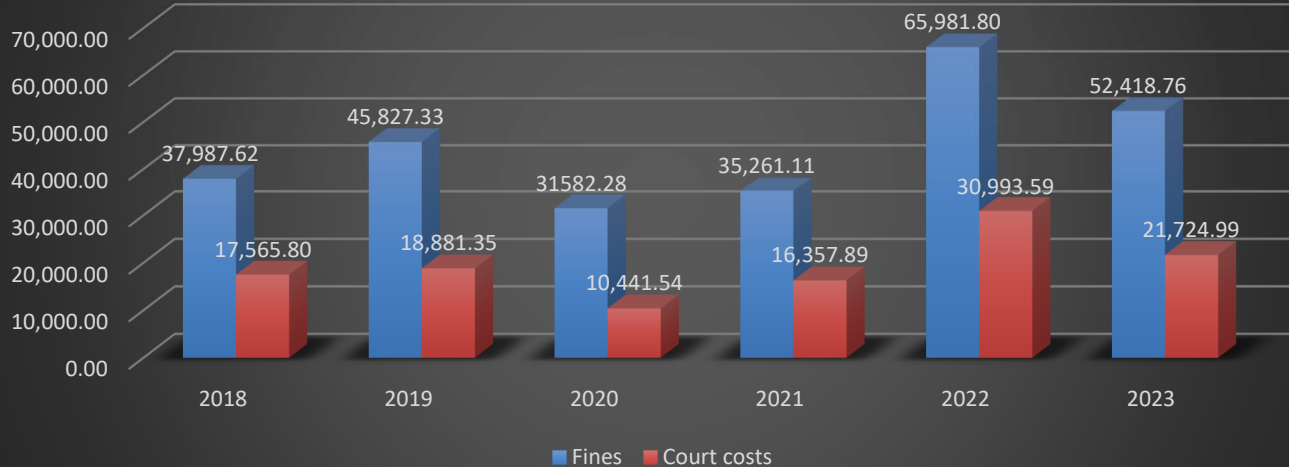

Prosecutor: Melanie Harbaugh

Court Statistics

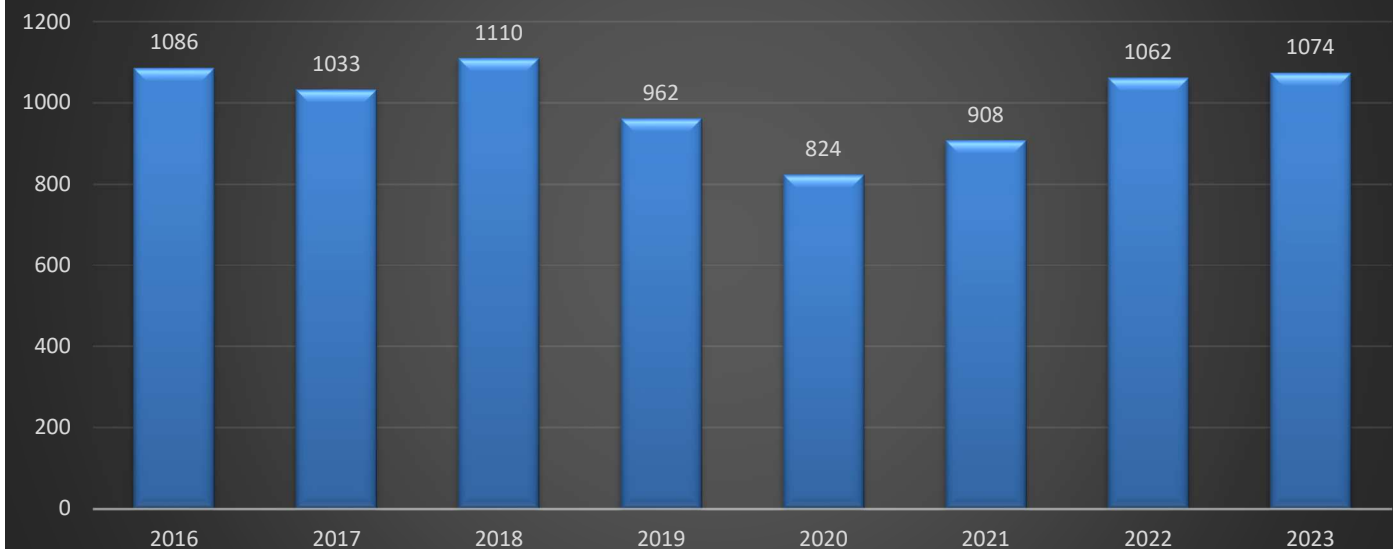

Annual Fines & Court Cost Comparison

Fines are monetary costs assessed to a person once they have been convicted, taken diversion, or pleaded No Contest to a criminal act or traffic offense. Fines are paid to different entities to include victims, defense attorneys, and the municipality. Court costs encapsulate a \$73 cost which is spread between the State Judicial Branch (docket & education) fund and the Kansas Law Enforcement Training Center fund. Additional monies in this category are for driver's reinstatement fees and the seat belt safety fund.

Crime Statistics

CALLS FOR SERVICE

Calls for service can be for any event a citizen is concerned, needs assistance, or if we are requested to assist another agency. Following are the top 5 call types, beginning in 2019 and going through 2022:

2019
 (144) Assist other agency
 (122) Animal calls
 (62) Suspicious calls
 (60) Disturbances
 (41) Check the welfare

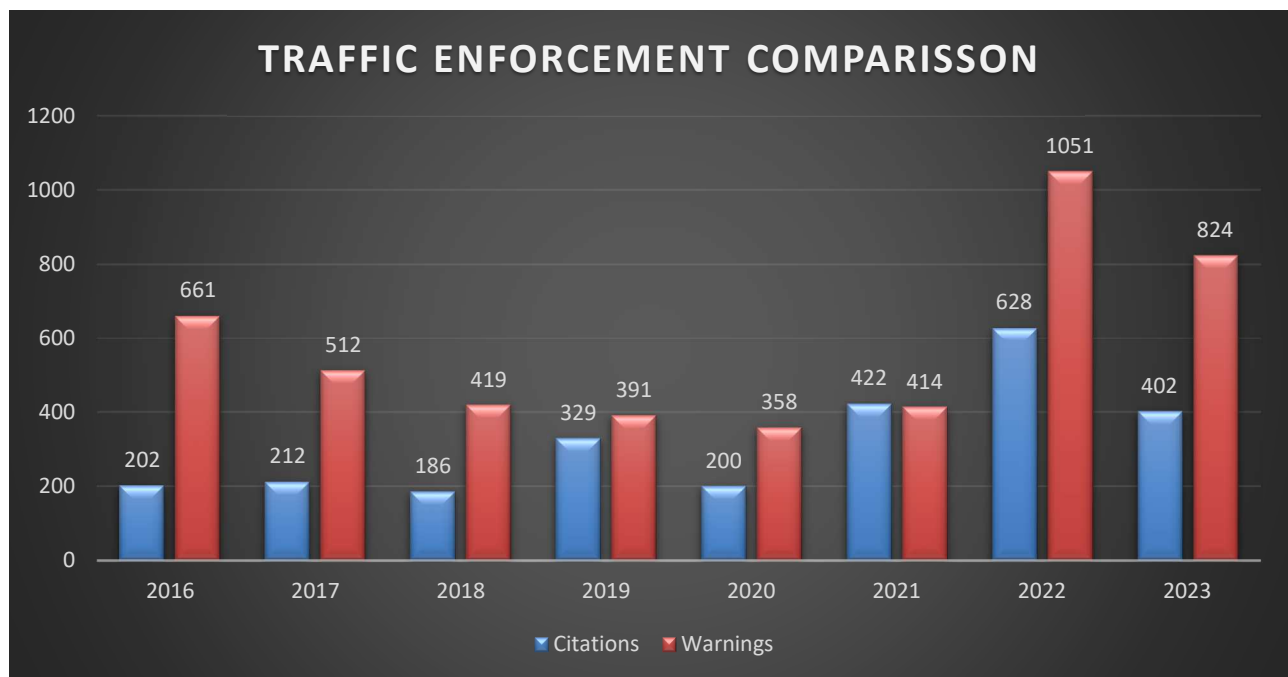

2020
 (83) Disturbances
 (75) Assist other agency
 (71) Animal calls
 (45) Suspicious calls
 (43) Check the welfare

2021
 (127) Assist other agency
 (97) Disturbances
 (81) Animal calls
 (55) Suspicious calls
 (39) Check the welfare

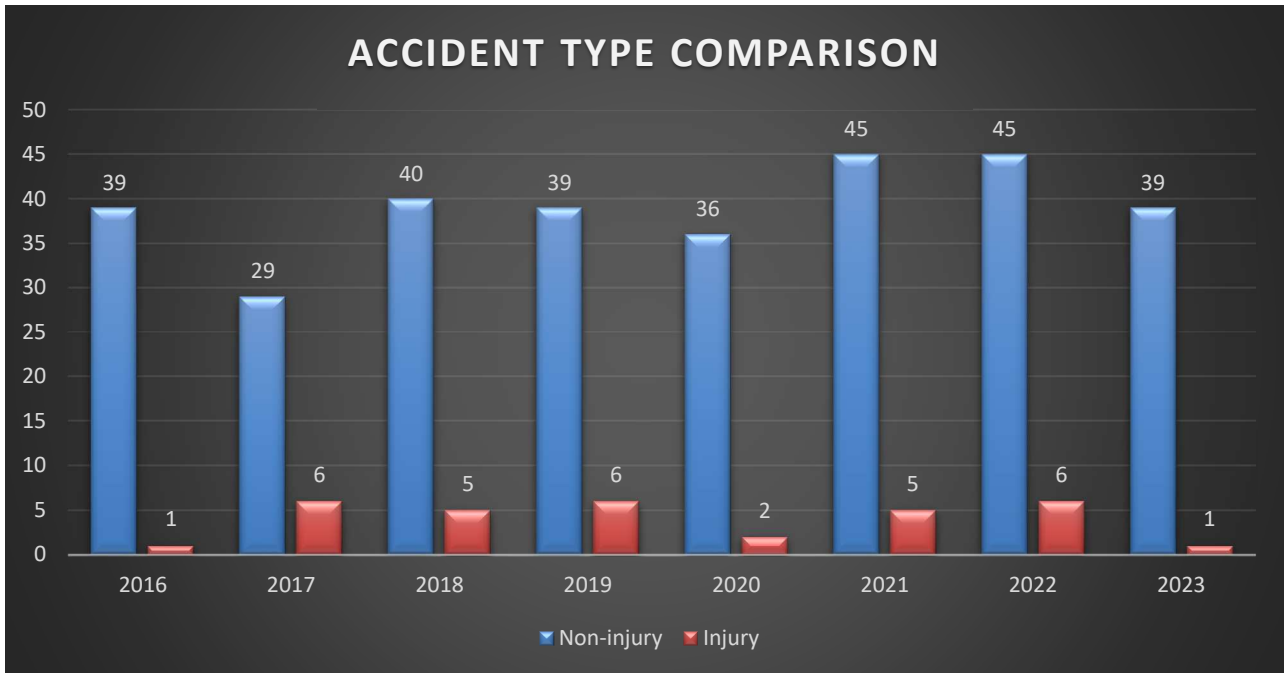

2022
 (154) Assist other agency
 (94) Driving offenses
 (87) Disturbances
 (84) Animal calls
 (80) Suspicious calls

2023
 (195) Assist Other Agency
 (100) Animal calls
 (95) Driving offenses
 (78) Check the welfare
 (70) Disturbances

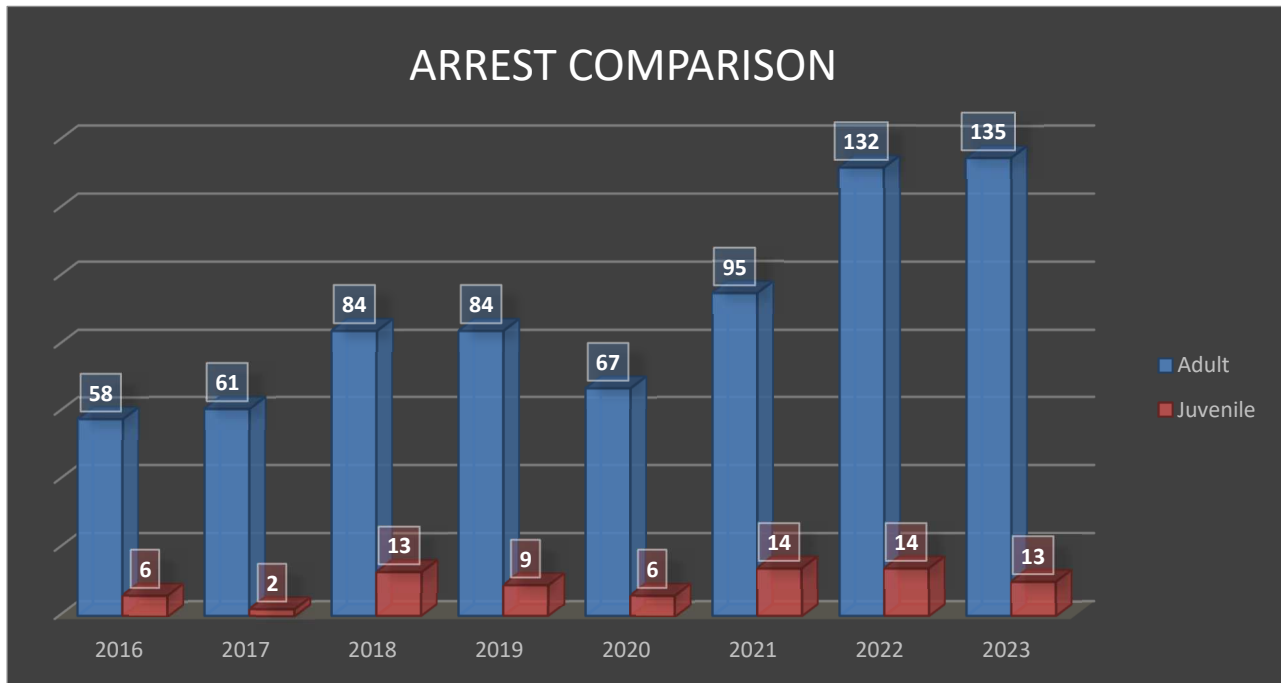

Assist other agency, covers Emergency Medical Services (EMS), Fire, Sheriff, Unified School District (USD), and other Law Enforcement Agencies (LEA). Disturbances cover assaults, batteries, domestic violence (dv), disorderly conduct (brawl), and threats. Animal calls cover at large animals, nuisance animals, neglect, and animal bites. Suspicious calls cover suspicious vehicles, persons, and activity. Check the welfare refers to a calling party being concerned for another's wellbeing. Driving offenses refer to Driving Under the Influence (DUI), Suspended/Revoked, Road rage, traffic complaints, and Ignition Interlock violations.

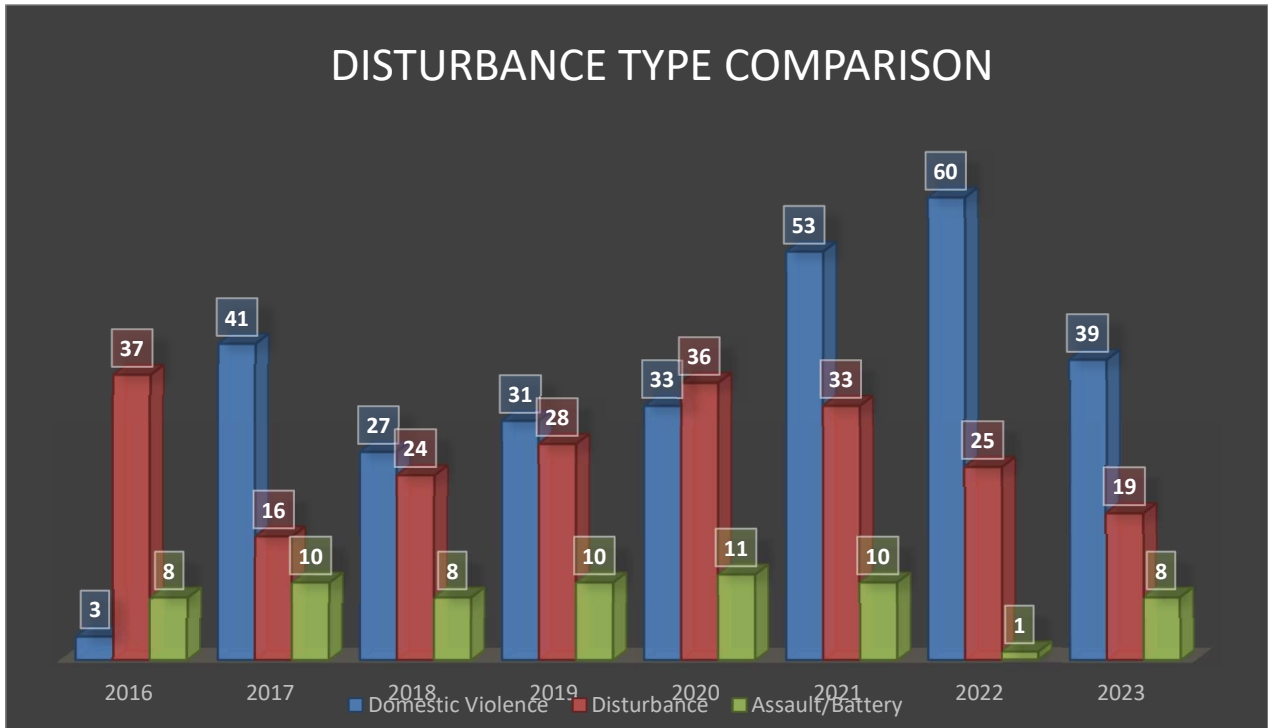

During SARS CoV2 pandemic we began writing fix-it citations. We list them in our records management as citations to ensure the equipment violations are corrected. Once corrected, the fines and court dates on the fix-it citation is waived. The penalty aspect of these citations only remains if the motorist does not address the malfunction. This practice has continued.

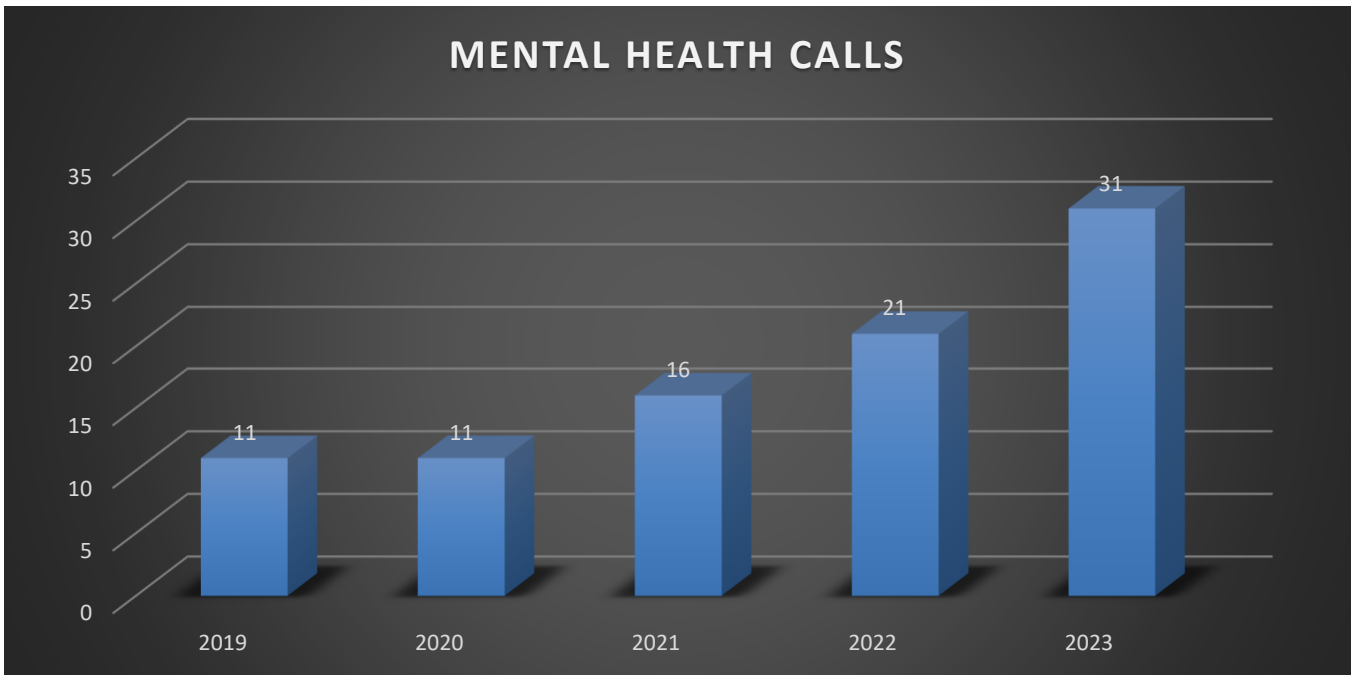

Non-injury accidents encapsulate all accidents where an injury was not observed or reported, including hit and run, private property, damages under \$1,000, and single vehicle.

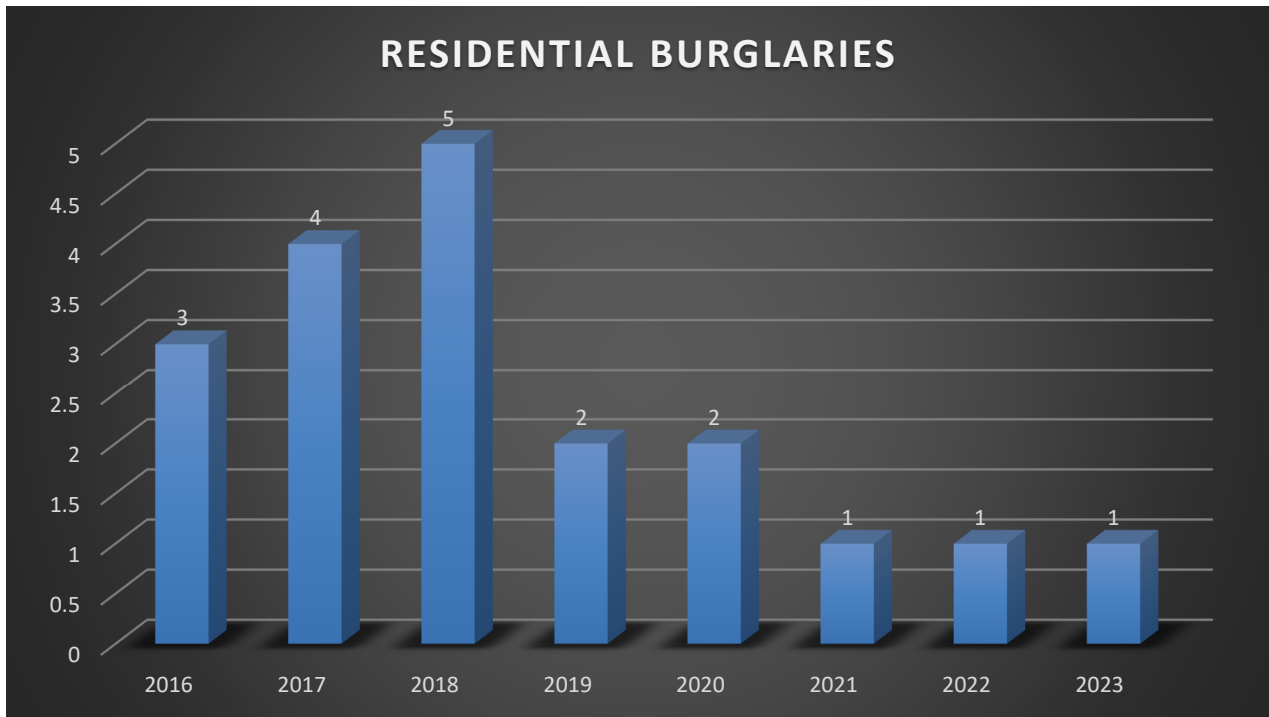

Arrest numbers reflect all arrests where a person's freedom was restricted and charges were filed, regardless of any stay in a jail system. These numbers include juveniles charged and released to a parent/guardian. Similarly, adults who were processed and released with or without a bond restriction.

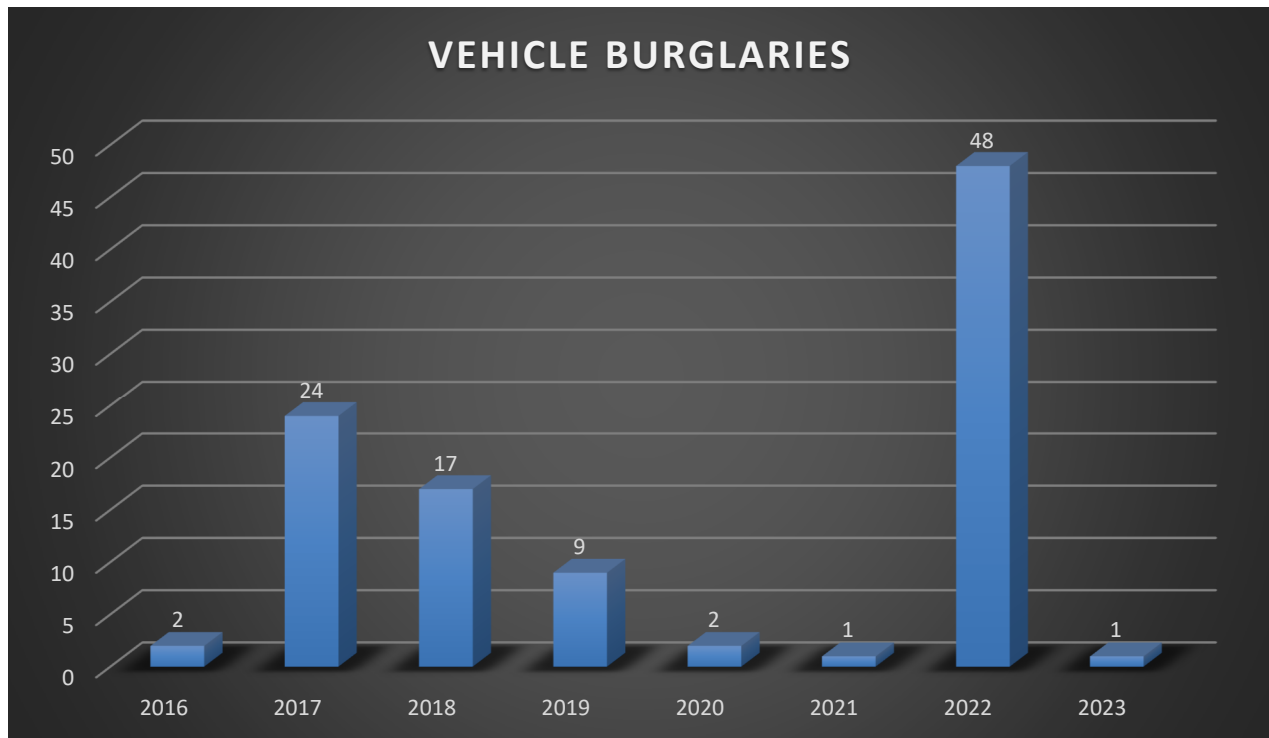

In this comparison of disturbance types the following are included in each category. **Domestic violence** refers to a disturbance concerning a domestic situation, covering any crime with a DV designator as well as disturbances where if a crime occurred, they would be DV. **Disturbance** refers to any non-criminal disturbance, not DV related where the involved parties chose not to pursue charges against each other. **Assault/Battery** is a non-DV related criminal action where charges were filed against one or both participants.

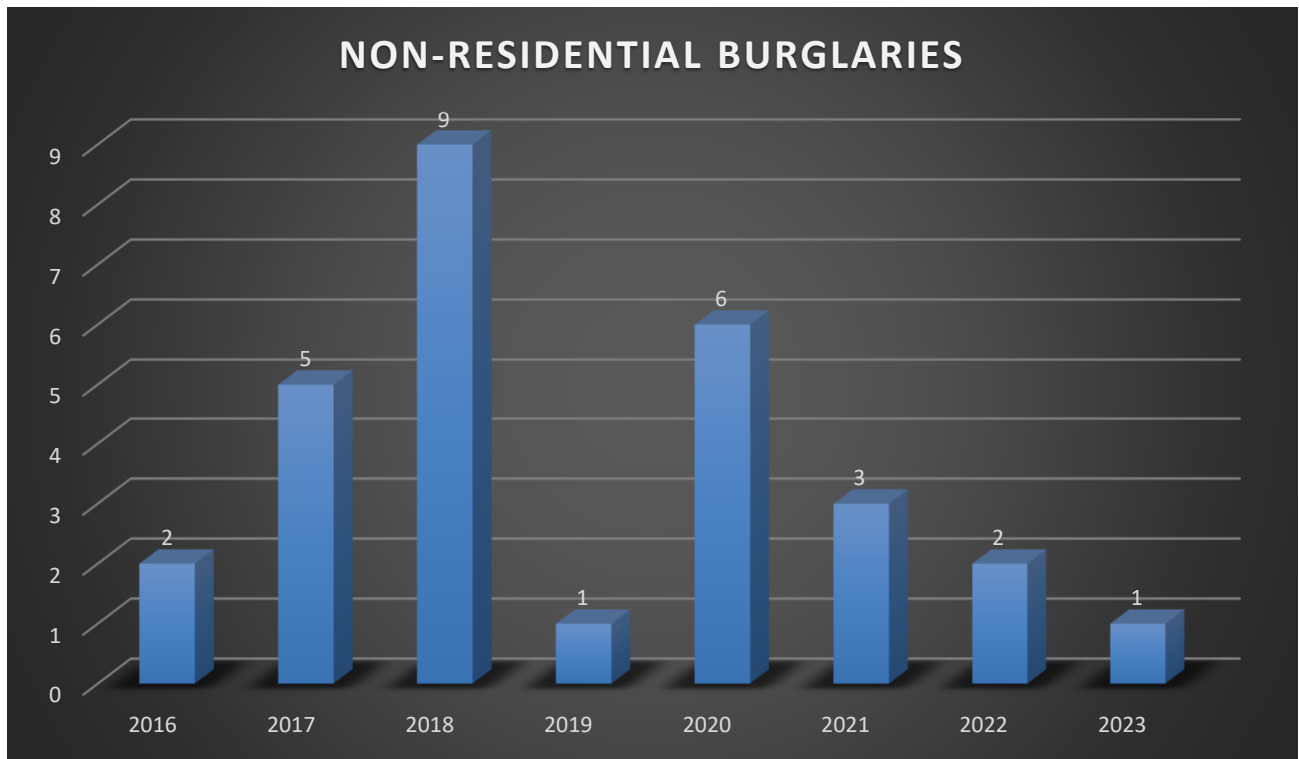

Mental Health is a category which we began to count in 2019 so the data is less than other categories. These call types begin as any other type, ranging from a burglary in progress to a welfare check. However, when the officer arrives the investigation reveals a person involved is in mental health crisis.

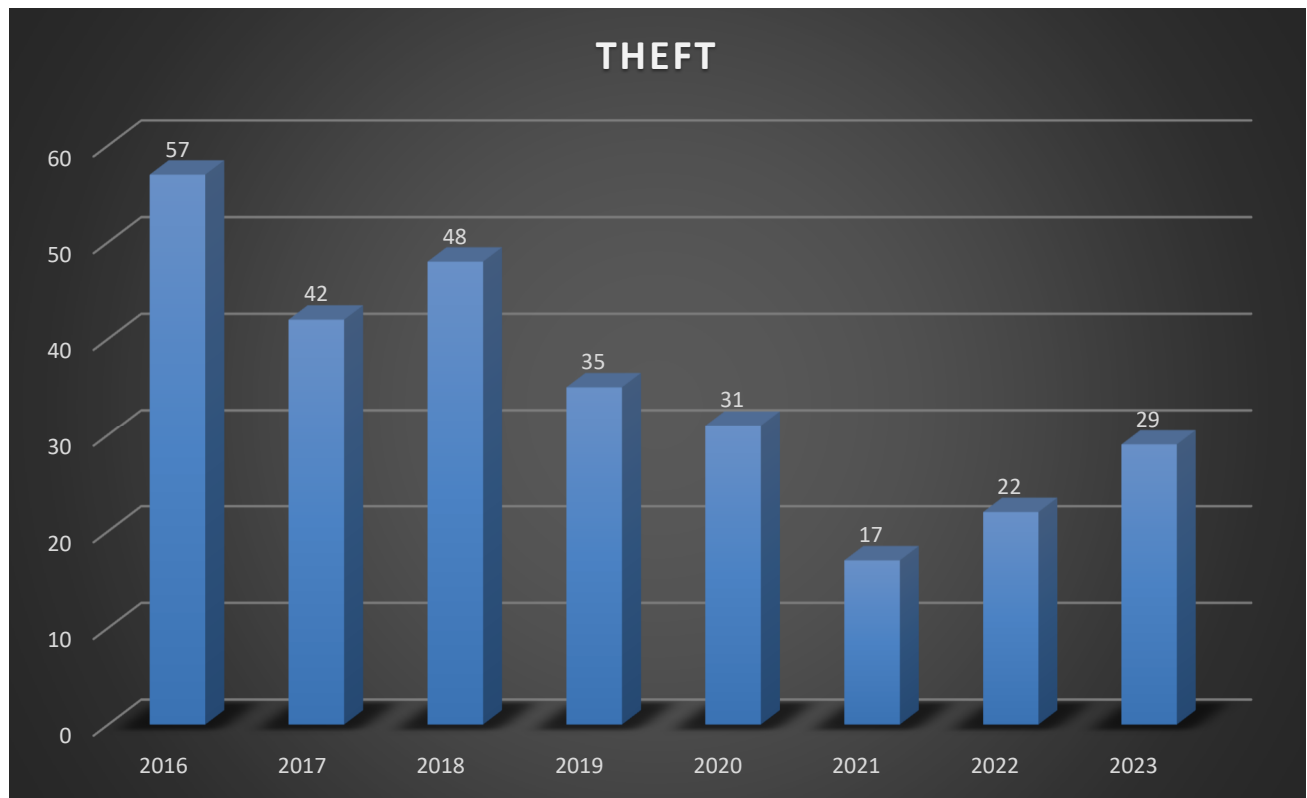

This call type of burglary is reserved for when a person without permission enters another's residence with the intent to commit a theft, felony, or sexually oriented crime.

Vehicle burglary type refers to the entrance of a vehicle (either locked or unlocked) with the intent to commit a theft, felony, or sexually motivated crime.

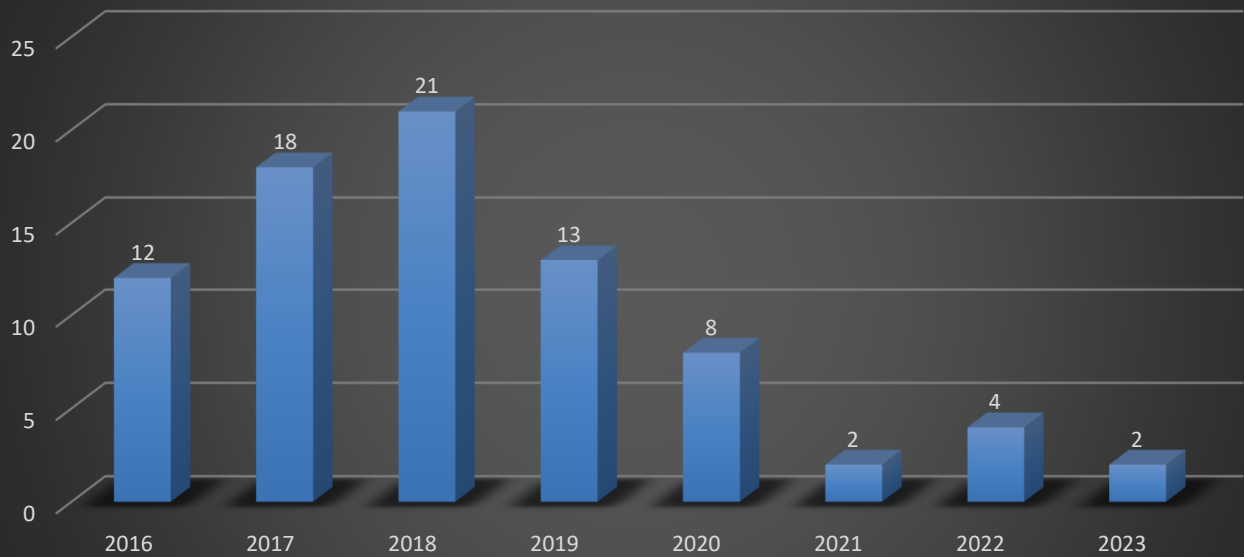

Non-Residential Burglaries refer to a person or persons entering a building or structure which is not used as a residence with the intent to commit a theft, felony, or sexually motivated crime.

Theft refers to a person or persons taking items which they did not have permission to take, either from a business, person, or location they were allowed to be. Primarily thefts are reported from business and referencing persons who had been patrons.

VANDALISM

Vandalism is the unwanted altering of an item or location, typically involving a substance which is troublesome but not impossible to remove.

Accomplishments for 2023

- We took part in all State and Federal traffic enforcement safety projects, earning a Silver Status with AAA. To increase traffic safety and awareness the Police Department regularly attended a multi-jurisdictional meeting to discuss current area trends, posted public safety announcements, and took part in traffic enforcement campaigns.
- Police Department took possession of all ordered mobile (vehicle), and portable (handheld) Motorola radios. These were purchased as a result of an awarded federal funding through the COPS invitational technology grant in the amount of \$105,000. This was secured through Congressionally Directed Spending by way of United States Senator Jerry Moran's Office.
- Stuff the Squad Car held in December at the Rose Hill Dollar General Store saw the largest to date quantity of food, toy, and monetary donations. We donated food items to the SW Butler Food Pantry, clothing and toys to the Sunshine Children's home, and snacks to the Child Advocacy Center. Mastercard gift cards (\$20 each) were purchased from an area bank and given to citizens during interactions and traffic stops conducted during the holiday season.
- Police Clerk Kristie Metcalf attended a multi-day training sponsored through the Kansas Department of Transportation to become a car seat installation technician. Over the course of the year, she was able to assist several families by correctly installing their child safety seats.
- Officer Weekley created a relationship between the City of Rose Hill and United States Federal Surplus. This allowed the Department to transition to a 9mm patrol rifle platform from a .223, allowing us to limit collateral damage if this weapon ever needs to be used. Saving the citizens of Rose Hill tens of thousands of dollars.
- Captain Conrad secured ten used Watchguard cameras from the Newton Police

Department, allowing us to continue using these end-of-life devices while we secured funding for new equipment.

- Department secured a dollar-for-dollar matching grant from the Small, Rural, Tribal Body Worn Camera grant (operated through the Department of Justice). This grant saves taxpayers \$26,000 which would have been needed for updating our Body Worn Cameras.
- Department gave thirteen surplus phones and tablets, which had been restored to factory settings, to the Safe Living Facility in El Dorado. These devices can be handed out as lifelines to persons in abusive relationships, where no plan is needed to call 911 for help.
- Department sold a City Police Taurus to the Unified School District to help augment their growing department. Additionally, we purchased a 2023 Ford Explorer for our growing department.
- Detective Tharp began a new community event, "Travelling Ice Cream Social". Department personnel handed out ice cream and popsicles at the City's three different parks during the heat of the summer.
- Municipal Court moved away from solely issuing cash only bonds for issued warrants. This allowed arrestees an easier opportunity to secure their release through a bonding company and allowed a new mechanism to ensure they arrived at their court date.
- Chief Parlier, Captain Conrad, Sergeant Watson, and Detective Tharp attended advanced Incident Based Command System (ICS) classes to better fit surrounding agencies responses to large events.
- All Flock cameras were placed across City property, Township, and County lands to better serve the area in crime prevention and response.
- Five Stinger Spike strips were acquired through the Lawrence Police Department at no cost. These units were used but functional, at a per unit cost of approximately \$599, this was a savings to the citizens of Rose Hill of \$2,995. Now all patrol vehicles, marked and unmarked, have a Stinger Spike strip issued to them.

Community events

- Community events were restarted with officers involved in drug take back (spring and fall), community awareness meetings, Fall Festival, Christmas parade, judging in the Chaplain's chili tasting event, and Stuff the Squad Car.
- National Night Out (NNO), held on August 1st and had the largest crowd to date with a suspected attendance over 600.
- Two successful Drug Enforcement Agency (DEA) sponsored "Drug Take Back" events were held, one in the spring and the other in the fall. Over the course of both events a total of 142 pounds of medication was collected, representing our largest collection to date. As such, 142 pounds of prescriptions and controlled substances were kept from our soil, waterways, and out of the hands of potential abusers.
- 2023 Fall Festival was a collaborative event between the City workers who prepare for a month in advance to the weekend and the Police Department. This year we had volunteers from Mulvane, Derby, Andover, Augusta, El Dorado, and the Community Emergency Response Team (CERT). The weekend went off without a hitch and we couldn't have been as successful without everyone's assistance.
- In October the Rose Hill Police Department obtained replacement radios, for both vehicles and officers, valued at approximately \$100 thousand dollars. This money was secured through Senator Moran's office on congressionally directed spending.
